

[1]<Nylina Nyhila> ok, welcome here and thank you for coming :)

[1]<Nylina Nyhila> so it has been a while since the last meeting

[1]<Nylina Nyhila> first of all, i'd like to ask a question to everybody except noomy

[1]<Nylina Nyhila> Most of the leaders don't schedule events (not often or even not at all)

[1]<Nylina Nyhila> so what are the difficulties you encounter with that?

[1]<Hale Storm> ; ;

[1]<Kami Kaze> i did

[1]<Nylina Nyhila> I know you did Kami

[1]<Nylina Nyhila> but for a while i've been the only one to do it

[1]<Nylina Nyhila> I'm not blaming anybody

[1]<Kami Kaze> pretty much im the only one do odin lol

[1]<Nylina Nyhila> I'm trying to understand where is the problem

[1]<Inzoum Zimia> For one, the only thing worth scheduling are CT, ST and WoD, and you're already hosting all 3 of them

[1]<Nylina Nyhila> well, Maki and Dasseem Ultor both tell me they were interested in participating

[1]<Inzoum Zimia> I schedule stuff once in a while, but most of the time it's pointless bcause people don't know about it

[1]<Nylina Nyhila> well, I host them to force myself to run them or I wouldn't do it

[1]<Nylina Nyhila> Scar?

[1]<Kami Kaze> no one want to host primal ponies run? drop rate incresed again

[1]<Hale Storm> /

[1]<Hale Storm> problem might be the game itself, we have no ingame calendar & ppl seem uninterested in the website.

[1]<Nylina Nyhila> yeah, i'd like to run Shiva X again and train on that one as a haler (but i also need light : P)

[1]<Inzoum Zimia> Noomy's right, people don't go on the website enough to know about scheduled runs

[1]<Nylina Nyhila> well, there is the calendar on the lodestone

[1]<Inzoum Zimia> and the necessity of scheduling stuff is inexistent

[1]<Scar Undutchable> well im not online most of the time now ,have busy schedule in reallife

[1]<Nylina Nyhila> well, you can advertise the events in game too

[1]<Hale Storm> aye, but Nyli had to remember fc members contsanly for events

[1]<Inzoum Zimia> no matter what you want to run, you can just ask in game "anyone wanna do XYZ?" and get a response

[1]<Hale Storm> constantly*

[1]<Inzoum Zimia> which is infinitely more efficient than the website calendar

[1]<Hale Storm> anyway, im not saying give up on schedule, just give time for expansion to pop to get it rolling again, everything now is pretty much DF standard

[1]<Nylina Nyhila> well, I understand the busy schedule... i'm pretty busy myself, which is precisely why I schedule things on the calendar

[1]<Inzoum Zimia> if we had an in-game calendar, things would be different

[1]<Nylina Nyhila> it has already been propoed on the lodestone

[1]<Inzoum Zimia> yeah, I'm with Noomy on this one, everything is DF faceroll now, no need for coordinated, scheduled events for anything other than coil

[1]<Nylina Nyhila> but if we had an ingame calendar -> even less reason to go on the website

[1]<Nylina Nyhila> but anyway

[1]<Hale Storm> well website good for posting info, screenshots, downtime from game etc

[1]<Kami Kaze> or bloodborne guide >.>

[1]<Hale Storm> err...lol

[1]<Nylina Nyhila> Eden first, then I, asked for 1 event a week scheduled by leaders

[1]<Nylina Nyhila> some of the leaders tried ut it seemed they were discouraged

[1]<Nylina Nyhila> i'd like to know why

[1]<Hale Storm> maybe i haz idea

[1]<Nylina Nyhila> yes,

[1]<Nylina Nyhila> ?

[1]<Hale Storm> a spreadsheet, with events that can be added

[1]<Kami Kaze> Huh!?

[1]<Nylina Nyhila> how would it work?

[1]<Inzoum Zimia> no one's going to look at it

[1]<Hale Storm> whats most interesting to members, like a poll

[1]<Nylina Nyhila> let noomy speak

[1]<Inzoum Zimia> the calendar is one the home page and no one looks at it

[1]<Hale Storm> then we can use the spreadsheet to pick from that

[1]<Nylina Nyhila> well, we had that survey last year

[1]<Hale Storm> or just use spreadsheet of what kind of events we have to offer, cuzi cant even think of many events

[1]<Nylina Nyhila> we could as well propose a poll on the website

[1]<Kami Kaze> main problem is no one goes to the website other than us

[1]<Nylina Nyhila> mmmmmmmh

[1]<Hale Storm> indeed kami

[1]<Nylina Nyhila> hve you been on the FC union website?

[1]<Inzoum Zimia> I see what you mean Noomy, like building a list of stuff that needs to be scheduled, then splitting that list among us?

[1]<Hale Storm> we cant promote website more enough anyway, the game dosent really require websites in general to look up things

[1]<Hale Storm> kinda inz, but so leaders have a guide / selection to pick from

[1]<Nylina Nyhila> I see

[1]<Inzoum Zimia> yeah, that's what I thought, but that doesn't change the fact that even if we schedule stuff, people won't attend

[1]<Inzoum Zimia> they'll be like "what do you mean scheduled? I didn't know about that, sorry I have other plans already"

[1]<Hale Storm> aye, that's true

[1]<Nylina Nyhila> well, we could ask on the website 1) what interest people 2) what they need

[1]<Hale Storm> maybe we should put more focus on it once expansion is out, big events like raids & weekend runs for w/e is needed

[1]<Inzoum Zimia> same problem again, if you ask on the website, you'll get answers from the people in this room and no one else

[1]<Nylina Nyhila> regarding to make the website more attractive

[1]<Nylina Nyhila> >>>>HAVE YOU BEEN ON THE FC UNION WEBSITE?

[1]<Hale Storm> im not sure its possible ny

[1]<Hale Storm> i haz

[1]<Kami Kaze> kinda

[1]<Inzoum Zimia> yes, but what about it?

[1]<Nylina Nyhila> have you noticed they offer the possibility to get a mount and a minion?

[1]<Kami Kaze> got it already

[1]<Nylina Nyhila> I know Kami :P

[1]<Nylina Nyhila> that's not my point

[1]<Inzoum Zimia> yes, ones that are worth real money

[1]<Nylina Nyhila> do you think we should use that to make the website more attractive?

[1]<Inzoum Zimia> I just want to point out that we're already paying LOTS for the website, mumble, domain name and stuff

[1]<Kami Kaze> use money to buy ppl's heart?

[1]<Hale Storm> could try but we'd have to keep doing it and find new rewards

[1]<Nylina Nyhila> lol

[1]<Nylina Nyhila> nope, do advertise it a bit :P

[1]<Nylina Nyhila> to*

[1]<Inzoum Zimia> if we hand out stuff like that, I don't mind handing out stuff I can craft, but these things are otherwise too expensive

[1]<Nylina Nyhila> Scar?

Scar Undutchable dozes off quietly.

[1]<Nylina Nyhila> any opinion?

[1]<Hale Storm> scar's stoned into the next century lol

[1]<Scar Undutchable> lol sorry idk

[1]<Scar Undutchable> iff its a good idea

Hale Storm casts unstone on Scar Undutchable

[1]<Kami Kaze> scar hand me that pot

[1]<Scar Undutchable> lol

[1]<Nylina Nyhila> lol

Hale Storm hurls something at Kami Kaze.

[1]<Nylina Nyhila> yeah it seems it's good :P

[1]<Hale Storm> kami's monkeh smoked alot, look at his eyes ffs

[1]<Scar Undutchable> what kind of stuff like a ninja set or a whm set lvl 70 or 90

[1]<Hale Storm> anywayz, i have an idea but its not possible until SE does something about FC rewards

[1]<Nylina Nyhila> should we try again to reward people who go on the website with in game things?

[1]<Nylina Nyhila> FC rewards?

[1]<Scar Undutchable> yes

[1]<Hale Storm> WoW had a guild reward system for progressing through the game, u got capes etc that could teleport u etc, mounts & more

[1]<Nylina Nyhila> I see

[1]<Inzoum Zimia> not sure how well that would work

[1]<Hale Storm> we dont have that so we cant use it, but members could earn points from using website, signing up for events etc, then transfer points to fc rewards etc

[1]<Kami Kaze> thats still in game not website related

[1]<Nylina Nyhila> should we try another picture contest with a reward in game?

[1]<Hale Storm> nah just an idea that popped right now, but it has to be integrated to websites

[1]<Nylina Nyhila> well no

[1]<Nylina Nyhila> the previous ones had rewards too

[1]<Inzoum Zimia> can't do that Noomy, there's no way to add that kind of functionality to the website

[1]<Nylina Nyhila> and didn't get a lot of attention

[1]<Hale Storm> i know, i was gonna suggest something to SE lol

[1]<Hale Storm> im not doing picture event again, i won last time remember lol

[1]<Inzoum Zimia> someone would have to track all that manually

[1]<Hale Storm> unfair win, 90% or more voted on me onry!

[1]<Nylina Nyhila> so from what I understand, the reason why leaders don't schedule one event a week is 1) lack of ideas 2) lack of participation on the website?

Hale Storm nods.

[1]<Inzoum Zimia> 3) lack of necessity

[1]<Inzoum Zimia> there's just no point

[1]<Hale Storm> DF ruined website calendars

[1]<Inzoum Zimia> why organize an event, post details find a picture etc.. spend time announcing it in game with spam

[1]<Scar Undutchable> not for t9 etc

[1]<Inzoum Zimia> when I could just shout "hey guys xanna do X" and get BETTER results

[1]<Nylina Nyhila> then there is no reason anymore to show the calendar to the guests

[1]<Hale Storm> not really

[1]<Inzoum Zimia> the whole issue of having events on the wwebsite is not even to organize stuff, Eden's idea from the begining was to show that we're doing stuff

[1]<Inzoum Zimia> we could fill it with stuff and not even run it and the result would be achieved

[1]<Kami Kaze> lol

[1]<Nylina Nyhila> lol no, the goal was to make people participate, play together :P

[1]<Nylina Nyhila> and i don't like that proposition inzy :P

[1]<Inzoum Zimia> compare to most other FC websites, their calendar is either inexistent, private or empty

[1]<Inzoum Zimia> and that doesn't really affect their popularity

[1]<Inzoum Zimia> your intention for the calendar is to get people to play together

[1]<Hale Storm> well, we wont know until expansion pops. seems everyone running on steam at the moment until expnsion is out

[1]<Inzoum Zimia> but what I've been arguing about is that the calendar isn't even needed for that to happen

[1]<Inzoum Zimia> people play togethe all the time

[1]<Inzoum Zimia> the calendar is just an unnecessary step in the process

[1]<Nylina Nyhila> I'm not so sure about that

[1]<Nylina Nyhila> that ppl play all the time together

Hale Storm's eyes brim over with tears.

Hale Storm pokes Enkidu.

Nylina Nyhila consoles Hale Storm.

[1]<Scar Undutchable> some like spontanely party`s or events ...

[1]<Nylina Nyhila> I'm pretty sure most of ppl df alone

[1]<Hale Storm> ya its about how much players / members have time to play, so schedules might to much of a starin

[1]<Hale Storm> strain*

[1]<Nylina Nyhila> in such a case, what's the point in having a FC?

[1]<Kami Kaze> lets just put the event thingy away till 3.0

[1]<Hale Storm> i have no idea ny, with no foundation for a FC member reward system in place

[1]<Hale Storm> FC buffs just isnt enough

[1]<Scar Undutchable> mostly yes ,but the t9 etc is fun too do with friends and learn making a stable party

[1]<Inzoum Zimia> FC: FC buffs, FC Chat, FC House, Chocobo Stables, Airship crafting in 3.0, private rooms

[1]<Nylina Nyhila> well, i've been trying for months Scar and failed again and again to build a stable party

[1]<Nylina Nyhila> no one seems interested in a static anymore

[1]<Hale Storm> maybe FC ship building can improve the website use, FC gathering idk

[1]<Inzoum Zimia> people do'nt need FCs to make friends with others that's obvious

[1]<Inzoum Zimia> LS were enough in that sense

[1]<Inzoum Zimia> there isn't much purpose to FCs but we're hoping Squire Enix will expand on these

[1]<Inzoum Zimia> we're trying to expand on it with the website, mumble and organised services like the Choco Mart

[1]<Nylina Nyhila> ok, enough about event for now i guess

[1]<Nylina Nyhila> I'll continue to post mines and invite everybody to do so

[1]<Hale Storm> i suggest put events scheduling on hold for now

[1]<Scar Undutchable> choco mart?

[1]<Nylina Nyhila> ...

[1]<Nylina Nyhila> you're aware we sell chocobo food to our members, right?

[1]<Hale Storm> well, can focus more on it later

[1]<Hale Storm> lol ny

[1]<Nylina Nyhila> talking to Scar :P

[1]<Hale Storm> should i take out the frying pan of slap yo face?

[1]<Scar Undutchable> oh yeah sorry long time not online :(

[1]<Nylina Nyhila> that's called the choco mart :P

[1]<Nylina Nyhila> anyway

Hale Storm slaps Enkidu.

Hale Storm laughs at Enkidu.

[1]<Nylina Nyhila> as i said : enough about the events today

Hale Storm points at the heavy hatchling.

[1]<Nylina Nyhila> i'm ot asking you to schedule 1 event a week for now

Scar Undutchable looks at the heavy hatchling in shock!

Hale Storm expresses her annoyance with Enkidu.

[1]<Nylina Nyhila> I won't give up on that myself, though

Scar Undutchable slaps the heavy hatchling.

[1]<Nylina Nyhila> and i invite you to post events once in a while as well

[1]<Nylina Nyhila> so

[1]<Kami Kaze> i see food on table

[1]<Nylina Nyhila> leader's tasks now

[1]<Nylina Nyhila> during last meeting I've asked leaders to volunteer to execute some tasks

[1]<Nylina Nyhila> I didn't get much answers

[1]<Nylina Nyhila> In June, Inzy and i will be away for a bit more than one week

[1]<Nylina Nyhila> I want to make sure things will be taken care of

[1]<Nylina Nyhila> and that everything won't get upon the shoulders of one single person

[1]<Hale Storm> i can help out now & then, not gonna be online as often as i am now thou thx to new job

[1]<Nylina Nyhila> I know Noomy

[1]<Hale Storm> aye, just letting kami & scar know

[1]<Nylina Nyhila> i don't know who cleans regularly the sable

[1]<Scar Undutchable> i will try but can't promiss

[1]<Nylina Nyhila> thank you for that

[1]<Inzoum Zimia> considering the chocobo food stocks and available seeds and stuff, we could probably manage to leave the garden unattended during our absence, it won't cause any problems

[1]<Hale Storm> i clean it when i see it dirrty

[1]<Hale Storm> but im pretty sure someone else cleaning it too

[1]<Nylina Nyhila> well, thank you, because that's something i don't have to think about

[1]<Nylina Nyhila> I really need you (and i'll have to remind kazu too) to think about what you can do

[1]<Inzoum Zimia> we have about 150 of each type of chocobo feed, 4 thavs and plenty of seeds we could grow before then. stocking up on all of these, it won't matter if no one takes care of the garden

[1]<Nylina Nyhila> regarding to the garden, I'd prefer we talk about that later

[1]<Nylina Nyhila> also

[1]<Nylina Nyhila> I think we need more hands

[1]<Nylina Nyhila> I was thinking about asking Bobbin and Ezzy

[1]<Kami Kaze> hire more lala slave

Scar Undutchable gives the heavy hatchling a big hug.

[1]<Nylina Nyhila> so what do you think?

[1]<Inzoum Zimia> Bobbin's like.... ALWAYS online and very helpful

[1]<Nylina Nyhila> Bobbin and/or Ezzy as leaders?

[1]<Inzoum Zimia> he's crafted stuff for the FC chest a lot

[1]<Scar Undutchable> bobje is alot online yes

[1]<Inzoum Zimia> he definitely has my approval

[1]<Nylina Nyhila> (fyi Bobbin hesitated to continue playing but he finally told me he would buy the expansion)

[1]<Kami Kaze> lol

[1]<Nylina Nyhila> :P

[1]<Nylina Nyhila> I think they are both active and helpfull

[1]<Inzoum Zimia> I don't have much thought about Ezzy other than he's very often online and willing to participate in stuff

[1]<Hale Storm> ofc, he freakin obsessed he cant stop

[1]<Nylina Nyhila> lol Noomy :

[1]<Nylina Nyhila> :P

[1]<Hale Storm> ezzy & bob be my choices

[1]<Nylina Nyhila> Kami?

[1]<Kami Kaze> fine by me

[1]<Inzoum Zimia> Definitely Bob for me, Ezzy I'll leave it to your appreciation

[1]<Nylina Nyhila> Scar, any thought about Ezzy?

[1]<Nylina Nyhila> (they still have to accept ofc :P)

[1]<Scar Undutchable> its fine by me , `

[1]<Nylina Nyhila> ok, i'll talk to them

[1]<Nylina Nyhila> Regarding to kazuki now

[1]<Hale Storm> ezzy will, if not tell ezzy i demanded it

[1]<Nylina Nyhila> lol Noomy

[1]<Nylina Nyhila> so Kazuki is still a young Elm

[1]<Nylina Nyhila> because as everybody we asked him to schedule one even a week

[1]<Nylina Nyhila> and it wasn't done

[1]<Nylina Nyhila> but i can't blame him to not do something leaders don't do religiously themselves

[1]<Hale Storm> lost cause, kaz seems very preoccupied

[1]<Nylina Nyhila> Kazu is less active than i thought but he wrote that T9 guide and is always ready to help

[1]<Hale Storm> < lost cause too

[1]<Inzoum Zimia> has he shown leadership in other ways than events?

[1]<Nylina Nyhila> not sure about that

[1]<Kami Kaze> havent seen him for awhile

[1]<Inzoum Zimia> I disagree Noomy, you contribute opinions and ideas and move the discussions forward

[1]<Nylina Nyhila> Noomy, you know my opinion about you and leadership

Kami Kaze dozes off quietly.

[1]<Nylina Nyhila> so what about kazu?

[1]<Nylina Nyhila> tbh if kazu has been there, i would have asked him to take care of the FC buffs

[1]<Scar Undutchable> i dont know ,only thing is a hot summer awaits us and some have less activity to play

[1]<Inzoum Zimia> can't blame him for not being here now though, real life schedule didn't allow it for him

[1]<Nylina Nyhila> I know

[1]<Inzoum Zimia> but if he's not poisting events, he'll need to show some other form of dedication

[1]<Nylina Nyhila> I agree

[1]<Nylina Nyhila> what he did until now was that t9 guide on the website

[1]<Nylina Nyhila> which represented a lot of work

[1]<Inzoum Zimia> posting that T9 guide is nice, but other non-leaders have contributed useful resources as well

[1]<Nylina Nyhila> not many inzy

[1]<Inzoum Zimia> hmm

[1]<Nylina Nyhila> well i guess i'll talk to kazu and see what he can do

[1]<Hale Storm> 1sec

[1]<Nylina Nyhila> still young elm then?

[1]<Nylina Nyhila> yes?

[1]<Nylina Nyhila> yes noomy?

[1]<Hale Storm> reading

[1]<Inzoum Zimia> yeah, can't just dismiss him without a talk, besides, 3.0 will probably change a lot of stuff with new content, new responsibilities

[1]<Inzoum Zimia> I'd leave him young elm for now

[1]<Nylina Nyhila> Scar and kami afk? :P

[1]<Inzoum Zimia> maybe he'll turn out to be the best airship captain we'll ever have

[1]<Kami Kaze> no

[1]<Nylina Nyhila> nothing to add?

[1]<Scar Undutchable> no

[1]<Kami Kaze> we gonna make all 4 airships?

[1]<Hale Storm> 4???

[1]<Nylina Nyhila> you're the one who wanted to put young leaders on trial kami

[1]<Inzoum Zimia> yeah we can have 4 airships

[1]<Kami Kaze> yes 4 max per fc

[1]<Hale Storm> same size use?

[1]<Hale Storm> or different?

[1]<Kami Kaze> all airship have to upgrade step by step

[1]<Nylina Nyhila> can we speak about the expansion features later?

[1]<Hale Storm> mothership, attackships, gather / explorer ships?

[1]<Inzoum Zimia> different specs depending on how you build them, so you can have one for speedy expeditions, one for slower, more valuable runs etc...

[1]<Kami Kaze> keep his rank for now

[1]<Hale Storm> oki lol sorry

[1]<Nylina Nyhila> ok kami

[1]<Nylina Nyhila> regarding to membership

[1]<Nylina Nyhila> you've probably noticed i don't exclude ppl anymore

[1]<Nylina Nyhila> when they're inactive

[1]<Nylina Nyhila> i contact them and see who answers

[1]<Nylina Nyhila> but it doesn't make sense to me anymore

[1]<Hale Storm> what u mean?

[1]<Nylina Nyhila> well, when someone is inactive for 3 month, he becomes a mossy sapling

[1]<Nylina Nyhila> and get a email

[1]<Nylina Nyhila> if they ask to stay in the fc they stay, if they don't answer they are excluded

[1]<Hale Storm> kicked?

[1]<Nylina Nyhila> that was Lat las case for example

[1]<Nylina Nyhila> yes

[1]<Hale Storm> k

[1]<Nylina Nyhila> that was the old method

[1]<Scar Undutchable> hmm well filter systeem

[1]<Nylina Nyhila> I don't kick people anymore

[1]<Inzoum Zimia> yeah, Eden's suggestion to keep our member count relevant to our real active size

[1]<Inzoum Zimia> we're probably closer to 40-50 active members than 118

[1]<Nylina Nyhila> well, we don't have 118 ofc :p

[1]<Nylina Nyhila> 18 mules or so if i remember well

[1]<Scar Undutchable> brb

[1]<Inzoum Zimia> XD

[1]<Kami Kaze> 18 only?

[1]<Nylina Nyhila> + inactive ppl who asked for staying

[1]<Nylina Nyhila> I think so

[1]<Hale Storm> silly lumz, i should have told him about ps4

[1]<Nylina Nyhila> need to count them but it's less than 20

[1]<Kami Kaze> kumiko already have 5 mules here

[1]<Nylina Nyhila> Illum will come back, i'm sure about it, he regularly goes on the website also, you can send him emails through the website

[1]<Hale Storm> lol

[1]<Nylina Nyhila> Kumiko has 7 char

[1]<Hale Storm> ya, just kinda annoying he keep playing that game, forgot name

[1]<Nylina Nyhila> anyway

[1]<Hale Storm> i blame kami

[1]<Kami Kaze> 19 mules in the FC

[1]<Scar Undutchable> back

[1]<Hale Storm> wb

[1]<Nylina Nyhila> so, following the members, sending ppl messages and kicking ppl required a lot of time

[1]<Nylina Nyhila> wb scar

[1]<Nylina Nyhila> and with the gardens, the fc buffs etc., it has become too heavy for me

[1]<Nylina Nyhila> and quite hard emotionally too :P

[1]<Hale Storm> ofc

[1]<Nylina Nyhila> so for now, i don't kick people anymore

[1]<Nylina Nyhila> if people want to leave, let them leave

[1]<Nylina Nyhila> by themselves

[1]<Hale Storm> gimme lead & i'll kick pplz for youz!

[1]<Hale Storm> gdi

[1]<Scar Undutchable> its too bad i dont have a duplication machine ...

[1]<Inzoum Zimia> we're still a LONG ways from having a full FC unable to accept new members for lack of space

[1]<Hale Storm> hax

[1]<Nylina Nyhila> but i had the case, someone told me "i don't intent to play anytime soon, so you can kick me, no worries"

[1]<Nylina Nyhila> and 2 weeks after, i found him on tonberry

[1]<Nylina Nyhila> that was really hard to swallow

[1]<Kami Kaze> lol

[1]<Hale Storm> lol i can imagine just try to ignore that nylicat

[1]<Nylina Nyhila> so i won't do that anymore : if people want to leave, i prefer them to take their responsibilities

[1]<Nylina Nyhila> and leave by themselves

[1]<Inzoum Zimia> I'm fine with that

Hale Storm nods.

[1]<Nylina Nyhila> than to count on me to do the "dirty/painful" job

[1]<Nylina Nyhila> so ty for your understanding

[1]<Scar Undutchable>

[1]<Nylina Nyhila> still regarding to members

[1]<Hale Storm> FAIL

[1]<Scar Undutchable> lol

[1]<Kami Kaze> put u back on ldr rank and u can start kicking ppl

[1]<Hale Storm> YES! XD

[1]<Hale Storm> sad thing is imma be so busy i dont have time to kick pplz

[1]<Nylina Nyhila> :P

[1]<Inzoum Zimia> let's not worry about kicking people, no real need to

[1]<Kami Kaze> u only need 3 mins to kick the whole FC

[1]<Nylina Nyhila> ...

[1]<Hale Storm> +2 hours for me

[1]<Nylina Nyhila> nope, because you have to send a warning message before doing so :p

[1]<Nylina Nyhila> anyway

[1]<Hale Storm> damn

[1]<Nylina Nyhila> still regarding to members

[1]<Nylina Nyhila> aside Ezzy and Bob, anyone can think about someone who deserves a promotion?

[1]<Inzoum Zimia> we should maybe add a few people to Staunch Sappling

[1]<Nylina Nyhila> which?

[1]<Inzoum Zimia> Ezzy >_>

[1]<Nylina Nyhila> ezzy i intend to propose him a leader rank

[1]<Hale Storm> well not many members online these days

[1]<Inzoum Zimia> no, but some are very lively and participate in a lot of stuff

[1]<Hale Storm> andy, asbel, cheria been here long time too, but well... cheria is the super quiet type & speaks in bilingual language

[1]<Nylina Nyhila> Cheria can't be promoted : already a gardener :p

[1]<Hale Storm> helena & helana online much too, but kinda new if not mistaken

[1]<Nylina Nyhila> what about helena?

[1]<Kami Kaze> cheria is 24/7 afk

[1]<Inzoum Zimia> thinking Andy, Asbel, Helena

[1]<Nylina Nyhila> helena joined in january

[1]<Nylina Nyhila> Andy has not been active lately

[1]<Inzoum Zimia> Sialeeds?

[1]<Nylina Nyhila> Sia not that active either

[1]<Inzoum Zimia> Kumiko?

[1]<Hale Storm> dont promote too many

[1]<Inzoum Zimia> just suggesting names for now

[1]<Kami Kaze> me

[1]<Nylina Nyhila> well, no name seems to stand out

[1]<Hale Storm> how about: Holy'crap Rofl'copter?

[1]<Scar Undutchable> some are active in the morning

[1]<Hale Storm> i joke

[1]<Nylina Nyhila> Noomy :P

[1]<Nylina Nyhila> well, let's think about it

[1]<Nylina Nyhila> I still think helena is top of the list

[1]<Inzoum Zimia> I'd promote Helena though

[1]<Inzoum Zimia> Helana not so much, she's not as active

[1]<Hale Storm> aye but lets not put too much pressure on helena and others

[1]<Nylina Nyhila> pressure?

[1]<Hale Storm> too much things to do etc

[1]<Nylina Nyhila> I don't think there is any pressure when you're a staunch sapling

[1]<Hale Storm> idk

[1]<Kami Kaze> squeeze them more and they will turn to a lala

[1]<Inzoum Zimia> Stauch Sappling is more honorific than anything else, it's the "valuable member" title

[1]<Nylina Nyhila> you only get the right to place and move things in the house and the garden

[1]<Hale Storm> k works for me

[1]<Hale Storm> should included stabl cleaning to i hope

[1]<Nylina Nyhila> scar? kami?

[1]<Nylina Nyhila> let me check that

[1]<Hale Storm> cuz i dont wanna come back 1-2months after & find a buffalo size po0p in the stable

[1]<Nylina Nyhila> lol

[1]<Hale Storm> id have to call the cops & investigate the crime

Hale Storm laughs.

[1]<Inzoum Zimia> my bird here might be responsible for buffalo-sized poops

[1]<Inzoum Zimia> just look at it

[1]<Nylina Nyhila> I think anyone can do ti

[1]<Hale Storm> ya, used to be scar until he got old & slim XD

Hale Storm consoles Scar Undutchable.

[1]<Nylina Nyhila> you only need the magiced stable broom

[1]<Scar Undutchable> maybe i turn back too Roegadyn

[1]<Hale Storm> yup

[1]<Inzoum Zimia> those are inexpensive now, craft them like 30 at a time

[1]<Hale Storm> YAY! :D

[1]<Nylina Nyhila> I put them once on the second page but someone moved it back to 3rd page

[1]<Nylina Nyhila> I think if they're inexpensive anyone has access

[1]<Hale Storm> < Not guilty!

[1]<Nylina Nyhila> well, should have access to it

[1]<Nylina Nyhila> i don't care who did that Noomy :P

[1]<Inzoum Zimia> k, let's put them on second page and let anyone use them, doubt anyone will waste them

Hale Storm laughs.

[1]<Inzoum Zimia> even if they do, not a big loss

[1]<Nylina Nyhila> ok for helena's promotion? and Bobbin and ezzy if they don't accept the leader rank?

[1]<Inzoum Zimia> Aye

[1]<Hale Storm> then they have to spend a night or 2 in my dungeon room

[1]<Nylina Nyhila> lol

[1]<Hale Storm> then.... theyt will be

[1]<Hale Storm> oreven worse i send them to kami's room

[1]<Nylina Nyhila> Scar and Kami?

[1]<Nylina Nyhila> lol Noomy

Hale Storm hurls something at Kami Kaze.

Hale Storm hurls something at Scar Undutchable.

[1]<Kami Kaze> >.>

Hale Storm hurls something at the heavy hatchling.

[1]<Nylina Nyhila> ok for helena's promotion? and Bobbin and ezzy if they don't accept the leader rank?

[1]<Kami Kaze> i should lock my room

[1]<Scar Undutchable> sorry yes

[1]<Kami Kaze> sure

[1]<Nylina Nyhila> ok

[1]<Hale Storm> Coblyn Larva attack scar!

[1]<Nylina Nyhila> so, use of the chest and garden

[1]<Hale Storm> cry

Hale Storm weeps in sorrow before the coblyn larva.

[1]<Nylina Nyhila> I think the recipe of the week doesn't make sense anymore

[1]<Nylina Nyhila> I think ppl don't use our food

[1]<Hale Storm> lets make bob's new title: Chef BORK

[1]<Inzoum Zimia> naw, we're stocked enough and people don't really use the food

[1]<Nylina Nyhila> lol

[1]<Hale Storm> i steal food now & then

[1]<Hale Storm> er....borrow

[1]<Nylina Nyhila> also, people don't help much with that (except for bob, indeed)

[1]<Hale Storm> cuz im poor, demon statues so expensive

[1]<Nylina Nyhila> I take some too, but not often

[1]<Scar Undutchable> i still use food for crafting and t9 events

[1]<Nylina Nyhila> lol Noomy :P

[1]<Inzoum Zimia> we should keep a food and consumable page, and a page for the gardens, but the page currently used for ingredients feels like a big waste

[1]<Hale Storm> i can craft some food, but i rather gather materials for it

[1]<Hale Storm> ya mats needs to be used or we can trefill

[1]<Inzoum Zimia> if we ever need to re-stock, we can focus on just these ingredients, and not hold a stock of tons of stuff for weeks to come

[1]<Hale Storm> cant refill*

[1]<Nylina Nyhila> well, I think maybe it's time to think about another use for the chest

[1]<Hale Storm> yes store demon turkeys in it!

[1]<Kami Kaze> for lala head storage

[1]<Hale Storm> im not joking

Hale Storm slaps Kami Kaze.

[1]<Nylina Nyhila> the recipe of the week has become more or less a recipe of the month

[1]<Hale Storm> heads r overrated

[1]<Nylina Nyhila> i'm tired of posting that :P

[1]<Inzoum Zimia> well, we don't use the Aetherial Wheel a whole lot because it always falls upon me to craft these things, but in the future it may see some more use with multiple wheels spinning at once, and grade 2 wheels

[1]<Nylina Nyhila> as i feel it's useless

[1]<Inzoum Zimia> ingredients to craft these are all the same

[1]<Hale Storm> ya u shouldnt, the thing is not many members asks for things,it prolly be easier if we had some actual noobs in the fc lol

[1]<Hale Storm> recruit more nubs!

[1]<Nylina Nyhila> well, actually, we'd need the aetherial wheels these days because we don't get a lot of FC credits anymore...

[1]<Inzoum Zimia> we could stock up on aetherial wheels or ingredients to make them

[1]<Hale Storm> lets auction out the wheel thingy

[1]<Kami Kaze> untradable

[1]<Hale Storm> its also useless, i dont even know wtf it does lol

[1]<Inzoum Zimia> this feature will be expanded in the future and I expect we'll have need for more space for these in 3.0

[1]<Nylina Nyhila> they become FC buffqs noomy

[1]<Inzoum Zimia> it generates FC buffs from crafted items, instead of company credits

[1]<Hale Storm> ah, well its really ugly & i dont like it, lets sell it for 20mil

[1]<Nylina Nyhila> but "crafted" instead of purchased

[1]<Hale Storm> aaa

[1]<Nylina Nyhila> which is why it should be usefull now

[1]<Inzoum Zimia> takes 3 days for a buff to build, they're limited to one at a time and grade 1 only

[1]<Hale Storm> we need an engineer to fix it

[1]<Inzoum Zimia> but from the looks of the interface, Grade 2 tables may allow more wheels or wheels of higher grades

[1]<Nylina Nyhila> because we're loosing FC credit

[1]<Inzoum Zimia> it COULD become one of our main sources of FC buffs in the future

[1]<Nylina Nyhila> we had over 200 K not so long ago

[1]<Hale Storm> i have idea

[1]<Nylina Nyhila> we're at 150K now

[1]<Hale Storm> actually bad idea

[1]<Nylina Nyhila> which idea Noomy?

[1]<Nylina Nyhila> LOL

[1]<Hale Storm> once expansion pops we will gain more fc credits for leveling new jobs & completing quests

[1]<Nylina Nyhila> so, should the aetherial wheels be our next focus for the chest or does anyone see any other use?

[1]<Kami Kaze> actually there r some buffs we dont need anymore

[1]<Hale Storm> but no reason we cant level our low levels jobs now either if ppl have some that is

[1]<Nylina Nyhila> which, kami?

[1]<Kami Kaze> wolf marks for one

[1]<Hale Storm> why not?

[1]<Nylina Nyhila> ppl don't seem to do pvp much

[1]<Hale Storm> no effect?

[1]<Kami Kaze> u do pvp?

[1]<Hale Storm> not for along time no, ya i guessi c what u mean

[1]<Nylina Nyhila> kami, could i give you a mission?

Scar Undutchable beckons to the puff of darkness.

[1]<Kami Kaze> mission impossible?

[1]<Nylina Nyhila> nope, that one is doable :P

[1]<Kami Kaze> which is?

[1]<Nylina Nyhila> rethink the FC buffs schedule

[1]<Nylina Nyhila> see what seems important

[1]<Hale Storm> gil+ everyday

[1]<Nylina Nyhila> and try to find a balanced schedule

[1]<Nylina Nyhila> would you do that?

[1]<Nylina Nyhila> (that one doesn't exist Noomy :P)

[1]<Kami Kaze> teleport fee reduce everyday lol

[1]<Hale Storm> shame

[1]<Nylina Nyhila> nope :P

[1]<Nylina Nyhila> i said balanced :p

[1]<Inzoum Zimia> teleport fee reduce is overrated

[1]<Nylina Nyhila> also : "lvl 1" FC buffs only for now

[1]<Hale Storm> lol

[1]<Nylina Nyhila> ok, so please, think about it kami, ty in advance :p

[1]<Nylina Nyhila> we'll sell the content on the FC chest 1st page

[1]<Nylina Nyhila> and well, maybe I'll keep a recipe of the month instead of the recipe of the week

[1]<Inzoum Zimia> yep

[1]<Scar Undutchable> so what you do with the empty page ?

[1]<Inzoum Zimia> I'll log in with Ligeia to clear it up

[1]<Nylina Nyhila> aetherial wheel

[1]<Nylina Nyhila> if you have other suggestions Scar; now is the time to spak

[1]<Inzoum Zimia> part of it we'll reserve for aetherial wheel materials and readied aetherial wheels

[1]<Inzoum Zimia> it definitely won't fill the page

[1]<Inzoum Zimia> so free space for now until Heavensward

[1]<Hale Storm> might be a good idea

[1]<Inzoum Zimia> we might have need for storage space for things like airship materials or fuel

[1]<Nylina Nyhila> indeed

[1]<Nylina Nyhila> but i hope we'll get more pages also ; ;

[1]<Scar Undutchable> aha yeah

[1]<Hale Storm> i must do that on my retainers aswell , too much crap saved for over 4years

[1]<Inzoum Zimia> about the gardening page: please stop putting crap seeds in there

[1]<Inzoum Zimia> like Lowland Grapes or iranges

[1]<Nylina Nyhila> well, people don't know what are crap seeds

[1]<Hale Storm> lol

[1]<Hale Storm> indeed

[1]<Kami Kaze> i no who did that >.>

[1]<Hale Storm> < not guilty

[1]<Nylina Nyhila> so i remove them and sell them when I think about it :p

[1]<Hale Storm> maybe

[1]<Inzoum Zimia> look at the seed's icon, if the bag has little zig-zags and dots, it's more awesome than one that only has zig-zags

[1]<Nylina Nyhila> but while we are thinking about gardeing

[1]<Hale Storm> lol wtf

[1]<Nylina Nyhila> gardening*

[1]<Hale Storm> thats our new slogan lol

[1]<Hale Storm> all in favor o/

[1]<Nylina Nyhila> if we have a lot of chocobo feed and if people don't buy too many of them

[1]<Nylina Nyhila> maybe we could open the garden for 1 month

[1]<Nylina Nyhila> to everyone

[1]<Inzoum Zimia> yeah, right now I slow down on gardening because things don't sell as fast as we make them

[1]<Nylina Nyhila> like from the 15th of may untill the expansion

[1]<Nylina Nyhila> what do you think?

[1]<Inzoum Zimia> we can have one bed for Krakka once in a while, but intercrossed varieties we're well stocked in, and there's enough Thavs to finish levelling the more epic chocobos in our stables

[1]<Inzoum Zimia> not everyone buiys them, but those who do are near the end

[1]<Kami Kaze> any rules?

[1]<Nylina Nyhila> nope

[1]<Nylina Nyhila> I can't think about any rule atm

[1]<Inzoum Zimia> well, if they want to garden, they do it with their seeds

[1]<Nylina Nyhila> except : ppl will have to do it by themselves : we won't provide seeds or topsoil

[1]<Nylina Nyhila> no access to the 3rd page

[1]<Inzoum Zimia> but yeah, I think we're stocked enough that we don't need to control the garden's use for a while

[1]<Hale Storm> BIGGER HOUSE!

[1]<Kami Kaze> im gonna plant some glazenuts

[1]<Nylina Nyhila> we don't have money for a bigger house noomy :P

[1]<Hale Storm> ; ;

[1]<Inzoum Zimia> we're only missing like 20 million

[1]<Nylina Nyhila> kami, if you want to do so, you are free to do it

[1]<Hale Storm> see i told u we should sell that table thingy

[1]<Hale Storm> wheely

[1]<Nylina Nyhila> we can't seel it Noomy :P

[1]<Nylina Nyhila> sell*

[1]<Hale Storm> lies

[1]<Kami Kaze> u can get that table from npc i think

[1]<Nylina Nyhila> yes

[1]<Hale Storm> gdi

[1]<Nylina Nyhila> it was bought to a npc

[1]<Nylina Nyhila> from* a npc

[1]<Hale Storm> what if we slap an IKEA note on it?

[1]<Hale Storm> nvm lol

[1]<Nylina Nyhila> and once it's in place you can't remove it without losing it I think

[1]<Kami Kaze> no one will buy that

[1]<Scar Undutchable> lol

[1]<Hale Storm> SE stupid, limiting things for us

[1]<Nylina Nyhila> so, the garden proposition?

[1]<Inzoum Zimia> I'm in favour, just let me maybe plant one last batch of Krakka

[1]<Hale Storm> if I wanna sell kami's outfit on eorzeabay, I should be able to

[1]<Nylina Nyhila> I propose to start that around the 15th of May

[1]<Hale Storm> but Nuuuuuu, SE think: we don't think that's a good idea

[1]<Hale Storm> sounds good to me

[1]<Nylina Nyhila> so it will give us some time

[1]<Kami Kaze> this outfit is priceless

[1]<Inzoum Zimia> ok, perfect, I'll grow some thavs and some krakka and we'll be well enough

[1]<Hale Storm> exactly kami

[1]<Nylina Nyhila> also, it will solve the gardening problem when we'll be away, inzy and I

[1]<Kami Kaze> u no how much monkey poop is on it

[1]<Hale Storm> demon protection

[1]<Nylina Nyhila> as anyone anything to add which is not related to heavensward?

[1]<Hale Storm> BIGGER HOUSE!

[1]<Hale Storm> oh wait

[1]<Hale Storm> ; ;

[1]<Nylina Nyhila> are you seriously serious Noomy?

[1]<Nylina Nyhila> because that would represent a lot of efforts

[1]<Hale Storm> yesly yes

[1]<Kami Kaze> there is no more large plot in this server

[1]<Nylina Nyhila> and ppl are not that active atm

[1]<Hale Storm> but maybe new houses come 2.0

[1]<Inzoum Zimia> aren't there large plots left in subsections?

[1]<Nylina Nyhila> are you sure about that kami?

[1]<Inzoum Zimia> last I checked there were

[1]<Nylina Nyhila> Zrank bought one not that long ago

[1]<Hale Storm> well I guess it comes & goes

[1]<Kami Kaze> think they r all sold

[1]<Hale Storm> lets buy alot of gilz!

[1]<Hale Storm> preparing to get kicked from server lol

Hale Storm laughs.

[1]<Nylina Nyhila> + it would mean recraft all the workbenches, the armoire and all the things than can't be removed without being destroyed

[1]<Inzoum Zimia> I'm happy with our house

[1]<Hale Storm> im not, must get bigger

[1]<Inzoum Zimia> the workbenches aren't as bad to make nowadays, neither is the armoire

[1]<Inzoum Zimia> the worst thing to recraft would be the Kingly mailbox

[1]<Hale Storm> lets buy neighbours house, demolish it & rebuild an extension over it

[1]<Inzoum Zimia> trust me

[1]<Nylina Nyhila> I confess i see to advantages to a bigger house : 1) all the workbenches 2) one more garden

[1]<Kami Kaze> and more place to afk

[1]<Nylina Nyhila> well, could we add one more mender?

Hale Storm slaps Kami Kaze.

[1]<Inzoum Zimia> yes

[1]<Nylina Nyhila> so that would be a third reason

[1]<Scar Undutchable> let the money founding begin

[1]<Inzoum Zimia> more NPCs in big house

[1]<Kami Kaze> more lala head?

[1]<Nylina Nyhila> well, more space to play with, indeed :p

[1]<Hale Storm> well im not saying bigger house to get now, maybe later. but could be good idea to save up maybe?

[1]<Nylina Nyhila> BUT

[1]<Hale Storm> or atleast try

[1]<Kami Kaze> lets see how the new area housing loos

[1]<Nylina Nyhila> it would also mean

[1]<Kami Kaze> looks*

[1]<Nylina Nyhila> breaking all the rooms

[1]<Nylina Nyhila> all the personal rooms would be lost

[1]<Hale Storm> possibly

[1]<Nylina Nyhila> breaking the workbenches we have and the things like garuda's couch, levi's founten etc.

[1]<Hale Storm> maybe we get an upgrade package lol

[1]<Inzoum Zimia> We would need to hold a poll first

[1]<Nylina Nyhila> this would be a very very hard decision and it would cost to everyone

[1]<Scar Undutchable> is it so you house stays

[1]<Kami Kaze> isnt 3.0 fc can mod the house?

[1]<Scar Undutchable> iff you give it to someone else within the fc

[1]<Hale Storm> idk, they spoke something about house building in basement, but idk what they mean

[1]<Hale Storm> like with aiship

[1]<Hale Storm> airship*

[1]<Hale Storm> anyway, lets see later what info we get

[1]<Hale Storm> but could be a good thing to save up money for ship building material etc

[1]<Inzoum Zimia> "mod" is a big word, it's just new "outfits" for the house

[1]<Inzoum Zimia> like walls and roofs and stuff

[1]<Hale Storm> lets build a tower!

[1]<Nylina Nyhila> ok, we're in the v3 topic now ;)

[1]<Hale Storm> nvm, wont change garden ; ;

[1]<Nylina Nyhila> what are the things we'll have to focus on?

[1]<Kami Kaze> ships

[1]<Inzoum Zimia> Airshipzzzz

[1]<Hale Storm> cleaning up & prep for expansion

[1]<Nylina Nyhila> (btw inzy and I we wn't be there for the early access probably)

[1]<Kami Kaze> alexander

[1]<Scar Undutchable> not bought heavensward yet ,soo idk iff i`m online the first day

[1]<Hale Storm> i dont think we can set a focus just yet, many members will level new jobs

[1]<Nylina Nyhila> well i guess those things won't be available right at the start

[1]<Kami Kaze> se gives u 2 weeks to reach lvl 60

[1]<Nylina Nyhila> probably to allow ppl to get the chance to lvl and follow the story

[1]<Hale Storm> ya i think alexander wont be availble tát start

[1]<Hale Storm> ya but u start from 30 or so kami

[1]<Inzoum Zimia> yeah, 2 weeks before Alexander and tomesstones are released

[1]<Nylina Nyhila> lol no way, i'll lvl brd first :P

[1]<Hale Storm> lol

[1]<Kami Kaze> tomesstone is a week or 2 after alexander

[1]<Nylina Nyhila> then i'll think about the new jobs :P

[1]<Scar Undutchable> what they lower all my jobs to 30 ?

[1]<Nylina Nyhila> no scar

[1]<Kami Kaze> no new jobs starts @ 30

[1]<Nylina Nyhila> the new jobs will start at lvl 30

[1]<Hale Storm> nah, new jobs will start at level 30 for you to level up from 30<60

[1]<Nylina Nyhila> your job at 50 stay at 50

[1]<Hale Storm> >*

[1]<Nylina Nyhila> but you'll have to lvl them to 60

[1]<Scar Undutchable> hmm that will be nice

[1]<Nylina Nyhila> so

[1]<Kami Kaze> maat for lb would be fun lol

[1]<Hale Storm> hell no

[1]<Hale Storm> u crazy

[1]<Inzoum Zimia> level cap increase from 50 to 60 confirmed to be tied to registration of Heavensward SN

[1]<Nylina Nyhila> focus at that start on Alexander and airships

[1]<Scar Undutchable> well maybe the special att combines s=att etc

[1]<Inzoum Zimia> register expansion -> level cap to 60

[1]<Inzoum Zimia> no quest

[1]<Nylina Nyhila> do you see anything else?

[1]<Kami Kaze> thx yoshida for killing the fun

[1]<Inzoum Zimia> well, focus on helping people clear dungeons and stuff, then Alexander and airships

[1]<Inzoum Zimia> remember we have a role to lead and accompany our members

[1]<Nylina Nyhila> most of them will do that before me :P

[1]<Inzoum Zimia> if anyone stuck somewhere, give them a hand :P

[1]<Hale Storm> aye

[1]<Scar Undutchable> so more event will be placed

[1]<Kami Kaze> right now we have a few returner i think they will need help at some point with MS

[1]<Inzoum Zimia> I'll work on raising WHM to 60 ASAP so I have 1 job ready to use, but I won't work on other jobs until I get my crafts up

[1]<Nylina Nyhila> i agree but let's face the truth : I'll need more help than several of our members :P

[1]<Hale Storm> i need a new job to level lol

[1]<Nylina Nyhila> yeah kami but not so many

[1]<Kami Kaze> DRK!!!

[1]<Hale Storm> possibly, guessi could focus on what i have but i dont feel like playing lol

[1]<Scar Undutchable> me the gun/healer ...

[1]<Nylina Nyhila> you still have mnk, drg, nin and sch/smn to lvl noomy ;)

[1]<Hale Storm> aye ; ;

[1]<Kami Kaze> i only have mnk and drg left

[1]<Hale Storm> whm used to be cool

[1]<Nylina Nyhila> does anyone has anything to add?

[1]<Hale Storm> i havent healed shit since 1.0 lol

[1]<Inzoum Zimia> oh, one more thing regarding aetherial wheels

[1]<Nylina Nyhila> any suggestion?

[1]<Inzoum Zimia> they're easy recipes

[1]<Nylina Nyhila> yes?

[1]<Kami Kaze> schedule some lala head hunt?

[1]<Inzoum Zimia> so anyone with ALC 50 can do them

[1]<Hale Storm> weekend treasure map hunts?

[1]<Inzoum Zimia> little help would be appreciated in making them in the future
[1]<Nylina Nyhila> right now?
[1]<Kami Kaze> i cant make 2 star recipe
[1]<Nylina Nyhila> the treasure map hunts?
[1]<Hale Storm> as suggestion to event
[1]<Hale Storm> events*
[1]<Hale Storm> its gil rewarding
[1]<Nylina Nyhila> well Scar used to be in charge of TH events
[1]<Scar Undutchable> well iff i find the time i do in weekend
[1]<Hale Storm> this game could use some rare mats we can sell on markets so we can save up for stuff
[1]<Hale Storm> like XI had
[1]<Hale Storm> dynamis coins!
[1]<Hale Storm> but we have no dynamis
[1]<Hale Storm> ragequit
[1]<Nylina Nyhila> :P
[1]<Kami Kaze> u asking for lag fest?
[1]<Hale Storm> yes!
[1]<Nylina Nyhila> GUYS
[1]<Hale Storm> pff, u know lagfest was 1.0
[1]<Nylina Nyhila> ***** ATTENTION PLEASE*****
[1]<Hale Storm> \o/
[1]<Nylina Nyhila> does anyone have anything to add to the meeting?
Scar Undutchable looks at Nylina Nyhila in shock!
[1]<Nylina Nyhila> any suggestion?
[1]<Hale Storm> my head exploding, cant think of things
[1]<Nylina Nyhila> for now or for heavensward
[1]<Scar Undutchable> for now
[1]<Nylina Nyhila> yes, Scar?
[1]<Hale Storm> i might have 1
[1]<Nylina Nyhila> go for it Noomy
[1]<Hale Storm> new FC members rank titles
[1]<Hale Storm> for expansion
[1]<Nylina Nyhila> why?
[1]<Kami Kaze> y?
[1]<Hale Storm> dragon, wyrm, king / queen wyrm, egg hatchling etc
[1]<Hale Storm> why not?
[1]<Hale Storm> for fun ofc
[1]<Hale Storm> FUN IS MOST IMNPORTANT ! /FUME

Hale Storm curses the Twelve.

[1]<Nylina Nyhila> I agree with that

[1]<Hale Storm> dont forget fun!

Scar Undutchable consoles Hale Storm.

[1]<Nylina Nyhila> but it's kind of a lot of work actually :P

Scar Undutchable gives Hale Storm a big hug.

[1]<Hale Storm> mossy = dragon p0po

[1]<Inzoum Zimia> could be fun

[1]<Nylina Nyhila> Noomy, you're in charge

[1]<Hale Storm> must be crazy to reinvent fun!

[1]<Hale Storm> god dammit lol

[1]<Kami Kaze> u make a list of names

[1]<Inzoum Zimia> LOLLL

[1]<Inzoum Zimia> you proposed it

[1]<Hale Storm> well, its a suggestion so i can come up with something, wethere we use it or not lol

[1]<Nylina Nyhila> let's make things clear : change of name only

Hale Storm's eyes brim over with tears.

Hale Storm motions joyfully.

Scar Undutchable consoles Hale Storm.

[1]<Nylina Nyhila> the structure stays as it is

[1]<Hale Storm> ofc

[1]<Kami Kaze> its official now

Scar Undutchable slaps the heavy hatchling.

[1]<Nylina Nyhila> I count on you to make as many suggestions as you want

[1]<Hale Storm> im happy & sad at same time....im very confused lol

[1]<Hale Storm> i need alocohol

[1]<Nylina Nyhila> I'dlike them to be ready for the 20th of may or so

[1]<Inzoum Zimia> don't we all?

Scar Undutchable Heavy Hatchling bouching back

Hale Storm nods.

[1]<Hale Storm> will do

[1]<Nylina Nyhila> so we can make a choice at the end of may/early june

[1]<Nylina Nyhila> and implement it at the start of heavensward

[1]<Nylina Nyhila> in such a case

[1]<Inzoum Zimia> keep it a secret to our members

[1]<Nylina Nyhila> maybe we should change the crest too

[1]<Hale Storm> SE should hire me & i make the game great beyond ppls imagination

[1]<Scar Undutchable> thats 10 days after my birthday nice present

[1]<Nylina Nyhila> last time we organized a contest

[1]<Nylina Nyhila> let's do that again

[1]<Nylina Nyhila> ?

[1]<Inzoum Zimia> sure

[1]<Scar Undutchable> contest ?

[1]<Inzoum Zimia> wait a moment

[1]<Nylina Nyhila> crest design contest

[1]<Hale Storm> crest design contenst, sure

[1]<Hale Storm> derp lol

[1]<Scar Undutchable> ahh yes

[1]<Nylina Nyhila> or we could do that for the second birthday on masamune?

[1]<Inzoum Zimia> if they raise the max FC rank and add new crest design options, that we unlock like 1 month after having a contest.... it would kinda suck

[1]<Scar Undutchable> sorry brb

[1]<Nylina Nyhila> Inzy's right

[1]<Hale Storm> never! we just have a new contest!

[1]<Nylina Nyhila> so maybe we should indeed keep it for our second birthday on masamune

[1]<Inzoum Zimia> XD

[1]<Nylina Nyhila> Noomy, you don't realise how much energy it requires :P

[1]<Nylina Nyhila> so nope

[1]<Nylina Nyhila> no 2 contests in a row :P

[1]<Hale Storm> pfff, energy is meant to be spent but ya i know what u mean lol

[1]<Kami Kaze> u need coffee

[1]<Hale Storm> yes!

[1]<Hale Storm> gimme beer!

[1]<Nylina Nyhila> says the one who said "i wo,'t host any event like the easter one again!" :P

[1]<Hale Storm> ooooh nyli speaking my evilz, good

[1]<Scar Undutchable> no something other browns``

[1]<Hale Storm> i approve

[1]<Nylina Nyhila> ;)

[1]<Nylina Nyhila> so Noomy's in charghe of new ranks names

[1]<Scar Undutchable> ok

[1]<Nylina Nyhila> Kami's in charge of new FC buff schedule

[1]<Kami Kaze> wait

[1]<Hale Storm> 7chuckle

[1]<Nylina Nyhila> Inzy in charge of cleaning the chest and of the aetherial wheels

[1]<Kami Kaze> i would like to wait till 3.0 to do that

[1]<Nylina Nyhila> wait what?

[1]<Nylina Nyhila> what for?

[1]<Kami Kaze> see what kinda new buffs they have

[1]<Nylina Nyhila> you think we'll have more of them?

[1]<Scar Undutchable> we have a whole month and 2 weeks
