

Gondwana Leaders' Meeting – 8th August 2015

[1]<Nylina Nyhila> Gather together. for the meeting :) room 1 this time ;)

Ezzy Sam performs an elegant bomb dance.

[1]<Nylina Nyhila> thank you for coming and please, have a seat :)

[1]<Nylina Nyhila> guess kami and Scar are afk? :P

[1]<Kami Kaze> nope

[1]<Nylina Nyhila> we'll start when Inzy will be done with his synth

[1]<Nylina Nyhila> well, let's give Scar and extra 5 min

Ezzy Sam pokes Scar Undutchable.

[1]<Nylina Nyhila> an*

[1]<Scar Undutchable> sorry back

[1]<Nylina Nyhila> welcome here everyone :)

[1]<Nylina Nyhila> wb :)

[1]<Nylina Nyhila> so, thank you for coming to the 1st meeting held in our new home :)

[1]<Scar Undutchable> :D but same room :)

[1]<Nylina Nyhila> Eden took the decision to pass the lead and leave 1 year ago and i think we've done pretty well

[1]<Nylina Nyhila> thank you for your efforts :)

[1]<Nylina Nyhila> with the new features, we always have more and more things to do, so this is important everyone participate in order to make things work

[1]<Nylina Nyhila> Kami, thank you for what you've done when Inzy and I were abroad

[1]<Kami Kaze> what did i do?

[1]<Nylina Nyhila> Ezzy, thank you for activation and buying the FC actions

Ezzy Sam pokes Kami Kaze.

[1]<Nylina Nyhila> lol Kami :P

Ezzy Sam smiles at Nylina Nyhila.

[1]<Nylina Nyhila> Ezzy, do you accept to continue being in charge of the FC actions?

[1]<Ezzy Sam> yea np there unless i take a break from the game :P

[1]<Nylina Nyhila> ofc

[1]<Nylina Nyhila> ty

Illuminos Beldrobbaen cheers Ezzy Sam on!

Ezzy Sam smiles at Illuminos Beldrobbaen.

[1]<Nylina Nyhila> Kami, i think your main focus is one the ship and the workbench since the start of heavensward, thank you for that :)

Ezzy Sam agrees wholeheartedly with Kami Kaze.

[1]<Nylina Nyhila> whorkshop*

[1]<Nylina Nyhila> ofc other leaders manage the ship but I consider you as the reference regarding to the ship

[1]<Nylina Nyhila> do you have anything to say about the recent progress?

[1]<Inzoum Zimia> progress sounds like a big word XD

[1]<Nylina Nyhila> well

[1]<Nylina Nyhila> we had to break everything to get the new house

Ezzy Sam's eyes brim over with tears.

[1]<Nylina Nyhila> but you're working on unlocking the path that will lead to our second airship :)

[1]<Scar Undutchable> oh well we dont go backwards :D

[1]<Nylina Nyhila> we just lacked of chance but it will come soon or late

[1]<Nylina Nyhila> Kami?

Scar Undutchable pokes Kami Kaze.

[1]<Nylina Nyhila> thank you for those words of wisdom :P

[1]<Nylina Nyhila> Illum, welcome here :)

Nylina Nyhila welcomes Illuminos Beldrobbaen.

Illuminos Beldrobbaen nods to Nylina Nyhila.

Ezzy Sam gives Illuminos Beldrobbaen a big hug.

Illuminos Beldrobbaen smiles at Ezzy Sam.

[1]<Nylina Nyhila> you've said you'd be interested in housing features

Ezzy Sam beckons to the puff of darkness.

[1]<Illuminos Beldrobbaen> yesh

[1]<Nylina Nyhila> is there anything else you'd like to do?

[1]<Illuminos Beldrobbaen> i would need to know what else there is :D other than the garden and such :)

[1]<Illuminos Beldrobbaen> and greeting new people, that is obligatory tho ^^

[1]<Nylina Nyhila> well, atm, there are mainly the garden, the workshop, the airship and the FC actions

[1]<Nylina Nyhila> organizing events/contests is always an option

Illuminos Beldrobbaen nods to Nylina Nyhila.

[1]<Nylina Nyhila> plus the stable that needs to be cleaned regularly

[1]<Illuminos Beldrobbaen> right

[1]<Nylina Nyhila> regarding to the garden, we could ask the help of some members as well

[1]<Inzoum Zimia> yeah, the gardens need to be watered and fertilized 3 times a day

[1]<Illuminos Beldrobbaen> how long does one magic broom last? :o til the exp for a bird goes down upon training?

[1]<Inzoum Zimia> Nyli and I have been handling it pretty much on our own

[1]<Nylina Nyhila> it depends on the activity in the stable

[1]<Kami Kaze> sorry was afk lol

[1]<Nylina Nyhila> oh, really? :P

[1]<Scar Undutchable> more chocobo`s more cleaning :)

[1]<Illuminos Beldrobbaen> i see i see :)

[1]<Nylina Nyhila> the number of birds there, etc. I don't know the exact frequency

[1]<Nylina Nyhila> if there is any task you feel you could help with, don't hesitate to propose

[1]<Illuminos Beldrobbaen> will do :)

[1]<Nylina Nyhila> I intend to ask Bob to go back to aetherial wheels crafting, so we'd use 1 rank 2 buff and 1 rank 1

[1]<Nylina Nyhila> that way, we'll continue saving FC credits

[1]<Kami Kaze> rank 2 is not easy to get

[1]<Ezzy Sam> too bad we aint near there yet, cant do rank 2

[1]<Nylina Nyhila> precisely

[1]<Ezzy Sam> materials shortage

[1]<Nylina Nyhila> let's ask Bob to craft rank 1 wheels

[1]<Nylina Nyhila> he can do it solo

[1]<Ezzy Sam> uhmm so we going back to rank 1 buff?

[1]<Inzoum Zimia> there's no reason not to keep making rank 1 wheels

[1]<Nylina Nyhila> and ezzy would be in charge of buying the rank 2 buff

[1]<Ezzy Sam> yea...

[1]<Nylina Nyhila> I was thinking about 1 of each Ezzy

[1]<Inzoum Zimia> the rank 1 wheels are as close to free as you can get, we have a healthy stock of materials

[1]<Ezzy Sam> hmm k

[1]<Inzoum Zimia> just need to craft onje and set it to spin for 3 days, so it's not like we can rely entirely on that alone, but every little bit helps

[1]<Nylina Nyhila> also, the FC activity is already slowing down, which means less FC credits, and we need them to send the ships on venture

[1]<Nylina Nyhila> anything to suggest Kami about the ship?

[1]<Kami Kaze> nothing can do right now unless new secton unlock

[1]<Inzoum Zimia> for the ship, I'd suggest running a maximum of 2 nodes every run, if we add a 3rd node, it's generally node 01 or 02, neither of which give a lot of exp, but they waste fuel

[1]<Kami Kaze> ya thats what i did

[1]<Inzoum Zimia> so just keep running sector 05 and either 04 or 06 on the side

[1]<Inzoum Zimia> it needs to level up anyway for the next one

[1]<Scar Undutchable> brb

[1]<Nylina Nyhila> well, we want to unlock next sectors first, in order to get our second airship :P

Illuminos Beldrobbaen looks at the behemoth heir and panics!

[1]<Kami Kaze> we need to unlock 2 sector for next ship

Ezzy Sam gently pats the behemoth heir.

[1]<Inzoum Zimia> that's why sector 05 has to be part of every run, until 07 is unlocked

[1]<Nylina Nyhila> we don't have much crafting to do atm, as we need the airship to get back his lvl

[1]<Kami Kaze> unless anyone bored enough to start the hous skin project

[1]<Nylina Nyhila> but soon or late, we'll need more hands again

[1]<Inzoum Zimia> ewww, no

[1]<Kami Kaze> house*

[1]<Nylina Nyhila> rare mats?

[1]<Inzoum Zimia> although maybe someday I'll borrow the workshop to skin up my own house lol

[1]<Ezzy Sam> wat about the armory project any info? :P

[1]<Nylina Nyhila> armory project?

[1]<Ezzy Sam> weapons and stuff?

[1]<Kami Kaze> still got a long way to unlock that

[1]<Ezzy Sam> ooh

[1]<Scar Undutchable> /

[1]<Ezzy Sam> \

[1]<Nylina Nyhila> wb Scar

[1]<Kami Kaze> it only changes the look not the interior

[1]<Nylina Nyhila> k

[1]<Nylina Nyhila> so

[1]<Nylina Nyhila> Kami you had a proposition regarding to the materias that the ship brings back

[1]<Kami Kaze> yes but noomy is not here

[1]<Kami Kaze> unless someone want to incharge

[1]<Nylina Nyhila> you didn't get the time to talk to her about that?

[1]<Inzoum Zimia> oh, Noomy's involved ?

[1]<Nylina Nyhila> please, expose your idea first :)

Scar Undutchable consoles the baby opo-opo.

[1]<Kami Kaze> right now the ship brings back some materias so im thinking about selling them to FC member for maybe 90% of MB price

Scar Undutchable consoles the black coeurl.

Scar Undutchable beckons to the black coeurl.

[1]<Kami Kaze> i have a spreadsheet somewhere with the current stocking

[1]<Nylina Nyhila> please, feel free to add that to the Talan Tables :)

[1]<Inzoum Zimia> considering that the airship brings them back for free and that the market is fluctuating a lot, I'm sure we could go lower than thatr, besides, we don't really need to save money for anything anymore

[1]<Kami Kaze> what need to be done is someone who has shit load of inventory space and deal with the price and listing

[1]<Nylina Nyhila> but we don't have much space in the chest, so we'd need someone to keep them on a retainer and to be in charge of the materia sales

[1]<Nylina Nyhila> lol yeah, what Kami said

[1]<Kami Kaze> thats y i suggest noomy at the first place

[1]<Inzoum Zimia> well, Nyli and I already have a lot to handle, so we'll leave that to someone else

[1]<Ezzy Sam> i dont have inv space with only 2 retainer lolx

[1]<Kami Kaze> only a crazy woman has 8 retainers and 3 accounts

Ezzy Sam nods to Kami Kaze.

Ezzy Sam points at you.

[1]<Illuminos Beldrobbaen> XD

[1]<Nylina Nyhila> well, Noomy's not there atm, so except if anyone here is interested in doing that, I suggest you talk about that with Noomy, kami

[1]<Inzoum Zimia> another reason to set the price lower than 90% market price is due to the inconvenience of having to "order" materia and get them later

[1]<Nylina Nyhila> Inzy's right

[1]<Inzoum Zimia> of course can't go too low or people will just buy them to sell them off again

[1]<Nylina Nyhila> ... I didn't even think about that : /

[1]<Inzoum Zimia> I think 80% market price is more appropriate

[1]<Nylina Nyhila> anyway, no one seems interested in doing that atm, we'll see ask Noomy later

[1]<Inzoum Zimia> but anyway, Kami's right about the crazy lady, she's pretty much the only one with enough mule space to do this right

[1]<Illuminos Beldrobbaen> yep

[1]<Nylina Nyhila> but with the anniversary event and such, she'll be busy I think :P

[1]<Inzoum Zimia> I don't think we're in a hurry

[1]<Nylina Nyhila> nope

Scar Undutchable consoles the black coeurl.

[1]<Nylina Nyhila> in the meanwhile, Kami, please add the materia list to the talan tables :)

[1]<Kami Kaze> ok

[1]<Nylina Nyhila> regarding to the member's ranks and permissions

[1]<Nylina Nyhila> we created a gardener rank a long time ago

[1]<Nylina Nyhila> it's not in use anymore

[1]<Nylina Nyhila> Cheria doesn't help with that anymore and inzy and I are able to manage it at 2, though extra hand could be handy

[1]<Nylina Nyhila> Sint proposes his services as gardener, like he used to in the past

[1]<Nylina Nyhila> however, we'd prefer (Inzy and I) to remain in charge of the choice of the production

[1]<Nylina Nyhila> anyone has anything to say in favour or against promoting Sint to that rank again?

[1]<Illuminos Beldrobbaen> if he is up for it, let him do it :)

[1]<Kami Kaze> im not sure about it

[1]<Nylina Nyhila> why Kami?

[1]<Inzoum Zimia> I don't think Illum knows what he's asking for XD

[1]<Kami Kaze> it might be too much "pressure" for him

[1]<Inzoum Zimia> I'm with Kami on this one

[1]<Nylina Nyhila> well, that's why i'm hesitating

[1]<Inzoum Zimia> but regarding Cheria

[1]<Ezzy Sam> lol

[1]<Illuminos Beldrobbaen> well it does seem like he is trying to make up for what happened in the past

[1]<Inzoum Zimia> there's some legitimacy to keep the rank for the sales of Krakka and chocobo food

[1]<Inzoum Zimia> Cheria still helps members with that on occasion

[1]<Nylina Nyhila> really? I didn't notice that

[1]<Inzoum Zimia> happened yesterday

[1]<Inzoum Zimia> or at least Cheria offered

[1]<Nylina Nyhila> well, in such a case, let's not demote him then

Ezzy Sam slaps the black coeurl.

Hale Storm has logged in.

[1]<Inzoum Zimia> brb real quick, gonna check the chest history

[1]<Nylina Nyhila> I think we could give a try with Sint as gardener but only to help with tending and fertilizing the plants

[FC]<Kami Kaze> NOOMY!!!!!!

[1]<Ezzy Sam> here comes noomy

[FC]<Nylina Nyhila> Hello Noomy!

[1]<Nylina Nyhila> i'm surprised! i thought you had to work today :o

[FC]<Illuminos Beldrobbaen> noomz o/

[FC]<Hale Storm> ME ME MEEEEEEEEEEEEEE!

[FC]<Scar Undutchable> hey Noomy :D

[FC]<Ezzy Sam> lolx o/

[1]<Nylina Nyhila> come in the meeting room ;)

[FC]<Hale Storm> hello my lovelies! <3

[1]<Inzoum Zimia> yeah confirmed Cheria does indeed manage sales of Krakka every now and then

[1]<Hale Storm> i just got home

[1]<Nylina Nyhila> we'll go back to kami's proposition at the end of the meeting then

[1]<Kami Kaze> i bet thats asbel lol

[1]<Illuminos Beldrobbaen> welcome home :3

[1]<Hale Storm> tyz!

[1]<Nylina Nyhila> oh, ok, good :)

[1]<Hale Storm> wo0ps wrong ro0m

[1]<Nylina Nyhila> well i'll talk to sint and ask him if he's ready to help with the garden but not being in charge of it

[1]<Hale Storm> >.> gdi

[1]<Nylina Nyhila> 1st room, Noomy ;)

Hale Storm waves.

Scar Undutchable waves to Hale Storm.

Nylina Nyhila blows Hale Storm a kiss.

Ezzy Sam waves to Hale Storm.

Illuminos Beldrobbaen welcomes Hale Storm.

You wave to Hale Storm.

[1]<Nylina Nyhila> regardint to that rank, the zenith one

Hale Storm: this chair is not CLEAN!

Hale Storm curses the Twelve.

[1]<Nylina Nyhila> I was wondering if we could offer it to members who'd be ready to help with the workshop

Nylina Nyhila: I blame inzy!

Inzoum Zimia: O_o

Hale Storm: :D

Ezzy Sam: lol

Hale Storm waves to the accompaniment node.

Hale Storm feeds the accompaniment node.

[1]<Kami Kaze> only person i can think of is kenni but hes been missing for almost a week

Hale Storm nods to the accompaniment node.

[1]<Nylina Nyhila> unfortunately, Silse had to stop playing... he was the best candidate ; ;

Ezzy Sam looks at the accompaniment node and panics!

[1]<Nylina Nyhila> yeah, Kyth as well indeed

[1]<Nylina Nyhila> I could propose it to him when he'll be back

[1]<Kami Kaze> [16:49]Who're has completed a venture!

[1]<Nylina Nyhila> Kami, if we do that, should we open the airship management to those ppl?

[1]<Inzoum Zimia> what advantage would there be to promote someone based on workshop participation?

[1]<Ezzy Sam> -,-"

[1]<Nylina Nyhila> ... airship access :P

[1]<Kami Kaze> nah craft and sending ship r different

[1]<Nylina Nyhila> but not sure everyone would be comfortable with that

[1]<Inzoum Zimia> I think airship should be in the hands of leaders only for now

[1]<Nylina Nyhila> ok

[1]<Illuminos Beldrobbaen> i agree with inzy on that one

[1]<Nylina Nyhila> so let's leave that rank for garden and house only atm

[1]<Inzoum Zimia> later when we get several airships, the timings for departure will be very varied with different expedition speeds and such, so having more hands would be a good thing, but for now our plan is very focused

Hale Storm feeds the fledgling dodo.

[1]<Nylina Nyhila> but indeed, I expect ppl to want something if they help with crafting

[1]<Nylina Nyhila> could everyone think about that for next meeting?

[1]<Hale Storm> the airship reward loot can be distributed to members that may need/want some materials found, when we have enough

[1]<Hale Storm> via bank

[1]<Nylina Nyhila> how motivate people to help with workshop?

[1]<Hale Storm> hm

[1]<Hale Storm> really should be more interesting reward system for being in FC, more like WoW had. but well...SE...

[1]<Kami Kaze> we can offer +1RNG boost by sacrificing lala(asbel)

[1]<Ezzy Sam> ^

[1]<Nylina Nyhila> Kami has a request for you, Noomy, regarding to materia brought back by the airship, but we'll see that later

[1]<Hale Storm> Free Demon Turkhes 4 Everyone!

[1]<Nylina Nyhila> lo; Kami

[1]<Hale Storm> k

[1]<Illuminos Beldrobbaen> the found materials would be some sort of motivation, but i dont know how random those are

[1]<Illuminos Beldrobbaen> like the moogle lamp stuff for example

[1]<Kami Kaze> very random

[1]<Inzoum Zimia> most materials airship brings back are either used for unlocking workshop recipes or crafting housing stuff

[1]<Hale Storm> well its seems we been getting alot of metria lately, that should be ineteresting to some ppl. we could sell to members , much like we do with chocobo food etc

[1]<Nylina Nyhila> just let's leave this topic here and try to come with something for next meeting

[1]<Inzoum Zimia> apart from materia and some crafting mats, most of them are not useful to most

[1]<Kami Kaze> stop reading my mind

[1]<Hale Storm> MATERIA MART !

[1]<Hale Storm> gdi ! ; ;

[1]<Nylina Nyhila> lol Noomy

[1]<Inzoum Zimia> lol

[1]<Inzoum Zimia> well, at least you two are on the same line of thought

[1]<Hale Storm> we just too damn smart!

[1]<Nylina Nyhila> ok kami, just go ahead with your idea

Hale Storm lets out a cheer.

[1]<Nylina Nyhila> it seems it's the right time to do it :P

Hale Storm feeds the griffin hatchling.

Hale Storm gently pats the griffin hatchling.

[1]<Scar Undutchable>

Hale Storm feeds the accompaniment node.

Hale Storm expresses her annoyance with the accompaniment node.

[1]<Kami Kaze> we have lots of materias from airship voyage in my retainer

Hale Storm gently pats the accompaniment node.

[1]<Hale Storm> wtyf

[1]<Kami Kaze> we will sell them to FC members but someone will have to incharge (noomy)

[1]<Hale Storm> but im barely online lol

[1]<Inzoum Zimia> yeah but you have like a million mules and retainers

[1]<Nylina Nyhila> Kami thinks you have a lot of storage space

[1]<Hale Storm> point taken lol

[1]<Nylina Nyhila> the problem we have is : we only have 3 pages of items in the chest

Hale Storm nods.

[1]<Nylina Nyhila> we can't store the materias

[1]<Hale Storm> ya that sux major dodo's

Ezzy Sam points at the fledgling dodo.

[1]<Nylina Nyhila> but you have enough space

Hale Storm disagrees with Ezzy Sam.

Hale Storm gently pats the fledgling dodo.

[1]<Hale Storm> np i can do that

[1]<Inzoum Zimia> of course if they ever expand company chest space with a 4th page, we could use that instead much more efficiently

[1]<Nylina Nyhila> so maybe ppl could sent their order and receive their delivery the day after?

[1]<Kami Kaze> thats y u would be perfect for this task

[1]<Hale Storm> mt

[1]<Hale Storm> ofc

[1]<Nylina Nyhila> that means managing the spreadsheet

[1]<Kami Kaze> price will be 80% of current MB price

[1]<Nylina Nyhila> but maybe the market price could be updated by someone else?

[1]<Nylina Nyhila> in order to not give all the job to Noomy?

[1]<Hale Storm> shouldnt be too much effort checking AH on my part and do the math myself

[1]<Nylina Nyhila> oki

[1]<Inzoum Zimia> I think it would be easier to just check current market price right before selling

[1]<Nylina Nyhila> noomy has a new official task then

[1]<Hale Storm> but there must be a restriction on how many materia a member can buy /day

[1]<Kami Kaze> just dont mixed up with ur own materia

[1]<Ezzy Sam> easier when selling it in retainer and check price :P

[1]<Hale Storm> no worries

[1]<Nylina Nyhila> selling it in retainer? but everyone could by them then! not just the fc

[1]<Nylina Nyhila> and that's not our goal

[1]<Inzoum Zimia> yeah, can't use retainers or we'll end up selling them to the world

[1]<Nylina Nyhila> buy*

[1]<Hale Storm> is a point, but we can make a chart on website, saying x materia -20% of AH price

[1]<Nylina Nyhila> and we'll make the market crash :P

[1]<Nylina Nyhila> actually, i should ask a fc retainer to SE...

[1]<Inzoum Zimia> of course we could just sell them to the world and put the money in the FC chest, which might be something we'll end up doing a few months down the road if the idea doesn't catch up

[1]<Hale Storm> good idea ny

[1]<Hale Storm> well all we can do is a test / trial & see how it goes

[1]<Ezzy Sam> thought the chest is the retainer lol...

[1]<Hale Storm> yup, but cant really make any profit from it

Ezzy Sam: lol cat and dog having stare down match...

[1]<Nylina Nyhila> yes Noomy, we'll do that

[1]<Nylina Nyhila> Kami will send you the materias then

Ezzy Sam: scratch scratch

[1]<Inzoum Zimia> being able to manage a FC sales list with options to restrict sales to FC members alone would be amazing, but alas...

[1]<Hale Storm> k

[1]<Inzoum Zimia> it would solve the materia thing pretty much entirely

[1]<Hale Storm> a FC shop only available to members would be badass

[1]<Nylina Nyhila> totally

[1]<Hale Storm> alas FC retainer*

Hale Storm cheers the wolf pup on!

Hale Storm cheers the coeurl kitten on!

[1]<Nylina Nyhila> anyway, now that it's solved, next topic

[1]<Scar Undutchable> right too SE maybe

[1]<Hale Storm> ya, should suggest it to SE as feedback / suggestion

[1]<Scar Undutchable> write`email..

[1]<Nylina Nyhila> Azimuth Drake permissions

[1]<Hale Storm> can do it right now ingame, by cotact support & leave: Suggestion

[1]<Nylina Nyhila> I think we could trust our donators with removing furniture from the house

[1]<Hale Storm> contact*

[1]<Nylina Nyhila> we'll use the forums, noomy

[1]<Hale Storm> aye

[1]<Hale Storm> i kinda agree with azimuth rule change, but not until after our anniversary event

[1]<Kami Kaze> ok current stocking is on talan table

[1]<Nylina Nyhila> that makes sense, noomy

[1]<Inzoum Zimia> yeah, was kinda worried about unremovable items initially, but I think they won't mess up stuff that clearly pop up like "WARNING, SHIT GUNNA BLOW"

[1]<Inzoum Zimia> thanks Kami

[1]<Nylina Nyhila> and i can add a warning when they are promoted to that rank

[1]<Nylina Nyhila> yes, ty Kami

[1]<Inzoum Zimia> sounds good to me

[1]<Hale Storm> ppl can act responsibly, so we should atleast let them prove themselves by doing that

Scar Undutchable slaps the coeurl kitten.

[1]<Nylina Nyhila> anyone has anything to say against that extra permissions for Azimuth drake?

[1]<Illuminos Beldrobbaen> nope

[1]<Nylina Nyhila> Kami, Scar?

[1]<Scar Undutchable> np

[1]<Kami Kaze> nope

[1]<Nylina Nyhila> (i'm proposing that because they have the right to move and add things but the problem is if the house is full, they can't do anything without asking a leader, which is not convenient)

[1]<Hale Storm> allthou, we can turn off "rank" permission to handle any furnitures during events. so np here

[1]<Nylina Nyhila> sure

[1]<Nylina Nyhila> we'll update that after the annyversary event

[1]<Nylina Nyhila> still regarding to the members

[1]<Hale Storm> also it will be more fun for our emembers being able to do this

[1]<Nylina Nyhila> I have a problem with hatchlings

[1]<Nylina Nyhila> yes, noomy, that's the goal : more fun for everyone :)

Hale Storm: BAD DODO!

Hale Storm slaps the fledgling dodo.

[1]<Kami Kaze> i can blame others for those flying furnitures lol

Inzoum Zimia: I blame your dodo for the dirty seat

[1]<Hale Storm> lol

Hale Storm laughs.

Ezzy Sam bursts out laughing.

Hale Storm slaps Illuminos Beldrobbaen.

[1]<Nylina Nyhila> so my problem is : hatchling don't register on the website

Hale Storm slaps Illuminos Beldrobbaen.

Nylina Nyhila weeps in sorrow before Illuminos Beldrobbaen.

[1]<Inzoum Zimia> well, they don't get promotion until they do, for one thing

[1]<Nylina Nyhila> the thing is : before I always friend new members and send them a message with moogle mail

[1]<Nylina Nyhila> and reminders if necessary

[1]<Nylina Nyhila> I can't do it anymore

[1]<Hale Storm> hm, could change rules of inviting members to FC. no invite to FC until registerd on website, or... website apply only

[1]<Nylina Nyhila> so i try to remind them when i'm online

[1]<Inzoum Zimia> her friend list's full, lol

[1]<Nylina Nyhila> no need to limit that i think, noomy

[1]<Inzoum Zimia> website apply only sounds so elitist

[1]<Nylina Nyhila> but i'd need help with reminding ppl to do it

[1]<Hale Storm> i rule with an IRONFIST !

Hale Storm psychs herself up!

[1]<Nylina Nyhila> LOL

Ezzy Sam disagrees with Hale Storm.

[1]<Nylina Nyhila> good thing you don't then ;)

[1]<Hale Storm> just tell them: do it now or get kicked withing 30sec

[1]<Scar Undutchable> heil noomy

[1]<Hale Storm> lol scar

Hale Storm slaps Scar Undutchable.

[1]<Nylina Nyhila> lol

[1]<Scar Undutchable> lol

[1]<Nylina Nyhila> i'd just need some help with that : if the new members are on your friend list, could you send them a message?

Hale Storm hurls something at Illuminos Beldrobbaen.

Scar Undutchable consoles Hale Storm.

Hale Storm waves to the griffin hatchling.

[1]<Nylina Nyhila> if not, could you remind them when they're online as well?

[1]<Hale Storm> can always try

[1]<Ezzy Sam> will do

[1]<Inzoum Zimia> will try to keep an eye on that

[1]<Nylina Nyhila> thank you

[1]<Nylina Nyhila> also

[1]<Nylina Nyhila> some of them think they are registered when they're not

[1]<Nylina Nyhila> some stop after the creation of their shivtr account

[1]<Hale Storm> brb smoke

[1]<Scar Undutchable> `` please register ,or follow the consi....``

Scar Undutchable slaps Hoary the Snowman.

[1]<Nylina Nyhila> so make sure to inform them properly if necessary :) ty in advance :)

[3]<Shinra Azure> really need to get hive sword soon :o

[1]<Nylina Nyhila> regardiong to the second anniversay event

[1]<Nylina Nyhila> it's on Sunday next weekend

[1]<Nylina Nyhila> same time as meeting time

[1]<Nylina Nyhila> please, sign up for the event and advertise it when you're online

[1]<Nylina Nyhila> we think we'll need 3 team leaders

[1]<Nylina Nyhila> we'd like to count on kami, Inzy and Illum

[1]<Kami Kaze> hes 90k

Scar Undutchable pokes Illuminos Beldrobbaen.

Ezzy Sam slaps Illuminos Beldrobbaen.

[1]<Nylina Nyhila> I'm with illum on FB

[1]<Nylina Nyhila> he's ghosted indeed, he can't log back in : /

Illuminos Beldrobbaen has logged out.

[1]<Scar Undutchable> now he can :)

Illuminos Beldrobbaen has logged in.

[1]<Nylina Nyhila> so

[1]<Inzoum Zimia> sure, can count on me

[1]<Nylina Nyhila> second anniversary event

[1]<Nylina Nyhila> http://www.gondwana.cc/events/627297?event_instance_id=10822455

[1]<Nylina Nyhila> please sign up

[1]<Nylina Nyhila> we'll need 3 team leaders

[1]<Hale Storm> i might be able to attend / be in charge of event, i cant tell yet. my focus now is the event details nothing else. also i might change the rules from 2-4 teams depending on how many shows up

[1]<Nylina Nyhila> Noomy and i were thinking about Kami, Inzy and Illum

[1]<Nylina Nyhila> well, we'd need a 4th lamp model with a 4th team, so i think it's not doable

[1]<Hale Storm> also, cheating will have drastical messures lol, so dont even test my patience

Hale Storm lookin at kami.... >.> - - - - - >

Ezzy Sam looks at Hale Storm and panics!

[1]<Kami Kaze> snu snu?

[1]<Hale Storm> no snu snu

[1]<Nylina Nyhila> Kami, Illum, can you confirm you'd be there and be ready to lead a team?

[1]<Kami Kaze> awwww

[1]<Nylina Nyhila> lol

[1]<Kami Kaze> ok

[1]<Illuminos Beldrobbaen> can do

[1]<Nylina Nyhila> perfect! ty :)

[1]<Nylina Nyhila> regarding to the prizes, we'd need Inzy's expertise... as always :P

[1]<Hale Storm> i have 1 grand prize in mind

[1]<Kami Kaze> snu snu?

[1]<Nylina Nyhila> first prize : noomy was thinking about the thav gear

[1]<Hale Storm> shaddap foo! or you will be chewing FOO FOO very soon!

[1]<Inzoum Zimia> woah

[1]<Inzoum Zimia> that's millions

[1]<Illuminos Beldrobbaen> is there anything on the forums about the event yet other than the calendar entry?

[1]<Nylina Nyhila> which mean it will be crafted last minute

[1]<Nylina Nyhila> nothing else atm illum

[1]<Illuminos Beldrobbaen> ok

[1]<Hale Storm> millions worth ya, but i already have half the materials for 1 gear piece

[1]<Nylina Nyhila> we're waiting the release of the summer event to make the last minutes decisions

[1]<Nylina Nyhila> second prize, i was thinking about the Ravana barding

[1]<Hale Storm> excellent idea

[1]<Inzoum Zimia> yeah but whether it's male or female, mats not the same, plus there are several pieces

[1]<Hale Storm> cept this will cause a problem

[1]<Nylina Nyhila> and noomy proposed the highland barding

[1]<Illuminos Beldrobbaen> which one is that?

[1]<Nylina Nyhila> only the main ones Inzy

[1]<Hale Storm> events will be distributed to individuals or same item per team?

[1]<Nylina Nyhila> the one i use for my chocobon atm illum

[1]<Inzoum Zimia> body and legs?

[1]<Nylina Nyhila> oh, individuale Noomy

[1]<Nylina Nyhila> indiviual*

[1]<Nylina Nyhila> we can't manage that 1st prize for a whole team

[1]<Hale Storm> so the winning team have to compete against each other in a KO event?

[1]<Nylina Nyhila> the race plus the race is individual

[1]<Nylina Nyhila> lol sorry for that sentence :P

[1]<Hale Storm> im guessing the Race event will be the final judgement

[1]<Nylina Nyhila> the race Noomy

[1]<Nylina Nyhila> exactly

[1]<Hale Storm> k good

[1]<Hale Storm> we can do race 2 times

[1]<Nylina Nyhila> like we did last August

[1]<Hale Storm> last race is winning team members against each other

[1]<Hale Storm> i barely remember lol, except it was fun

[1]<Nylina Nyhila> that's an idea

[1]<Ezzy Sam> MARCHING SPRINGGANS!!

[1]<Hale Storm> lol

[1]<Nylina Nyhila> we'll still have to discuss to point attribution though

[1]<Hale Storm> not this time ezzy lol

[1]<Ezzy Sam> boohoo

[1]<Nylina Nyhila> but just noomy and I

[1]<Hale Storm> ☐Highland Barding (lv36-40) leatherworker recipe lumz

[1]<Scar Undutchable> jumping goose ?

[1]<Hale Storm> u have a goose scar?

[1]<Illuminos Beldrobbaen> eskimo one ^^

[1]<Nylina Nyhila> ok, at the end of the event, we'll announce the crest contest

[1]<Nylina Nyhila> http://www.gondwana.cc/forum_threads/2186665

Hale Storm waves to the dust bunny.

Hale Storm pokes the dust bunny.

Hale Storm laughs at the dust bunny.

Ezzy Sam claps for the dust bunny.

[1]<Nylina Nyhila> except illum, did you all chack that draft?

[1]<Nylina Nyhila> check*

[1]<Inzoum Zimia> ☐Steam-powered Gobwalker G-VII also a good prize idea

[1]<Hale Storm> atomos, if we can find mats

[1]<Scar Undutchable> 0.0

[1]<Inzoum Zimia> armorer 60 Master III recipe

[1]<Nylina Nyhila> mmmh, indeed, that's an idea

[1]<Hale Storm> ☐Grilled Sweetfish for everyone!

[1]<Nylina Nyhila> so, the crest contest

Ezzy Sam waves to the wind-up sun.

[1]<Inzoum Zimia> crest contest

Hale Storm pokes the wind-up sun.

[1]<Nylina Nyhila> should we offer prizes to the participants?

[1]<Nylina Nyhila> prizes*

Ezzy Sam pokes the ugly duckling.

[1]<Hale Storm> how about the winner gets to choose 1-2 FC buffs for a day?

[1]<Inzoum Zimia> that kinda sucks

Ezzy Sam feeds the ugly duckling.

[1]<Hale Storm> WHAAAAAAAAAAAA?

[1]<Hale Storm> is an amazing idea!

[1]<Inzoum Zimia> I vote for one million sea cucumbers

[1]<Nylina Nyhila> well, first of all I want people to participate

[1]<Nylina Nyhila> /facepalm

Scar Undutchable dozes off quietly.

[1]<Hale Storm> ☐Plush Cushion reward?

Ezzy Sam pokes Scar Undutchable.

[1]<Inzoum Zimia> sounds good

Ezzy Sam feeds the fledgling dodo.

[1]<Nylina Nyhila> well, we can propose something to the winner only

[1]<Inzoum Zimia> don't think a lot of people have that one

[1]<Hale Storm> hell éven i dont have that one lol

[1]<Inzoum Zimia> you serious?

[1]<Nylina Nyhila> your mule has it

[1]<Nylina Nyhila> Noomy Noomz

[1]<Hale Storm> ofc, i bought one sometime ago, but i sold it on another server for triple price XD

[1]<Hale Storm> i do?

[1]<Scar Undutchable> as minion i dont have the ☐Plush Cushion

[1]<Nylina Nyhila> laeri gave it to you if I remember well

[1]<Hale Storm> well that sux lol

[1]<Nylina Nyhila> inaeri*

[1]<Hale Storm> oh ya! lol

[1]<Hale Storm> inacat ; ;

Nylina Nyhila consoles Hale Storm.

Hale Storm's eyes brim over with tears.

[1]<Hale Storm> hey hey ☐Coeurl Beach Maro

[1]<Hale Storm> we can have that as prices

[1]<Nylina Nyhila> so you think a single reward to the winner is enough? not something for all the participants?

Ezzy Sam feeds the naughty nanka.

[1]<Hale Storm> its summer!

[1]<Inzoum Zimia> I'm not sure I want other people to look like Bobbin

[1]<Nylina Nyhila> LOL

[1]<Scar Undutchable> lol

[1]<Hale Storm> just give bobbin this ☐Plain Long Skirt

[1]<Illuminos Beldrobbaen> thats a good idea

[1]<Hale Storm> ☐Crescent Moon Cone maybe?

[1]<Nylina Nyhila> wouldn't I be sexy in this swimsuit, Inzy? ;)

[1]<Hale Storm> swimsuits for everyone except bob

Ezzy Sam pokes you.

[1]<Scar Undutchable> ☐Crescent Moon Cone 0.0

[1]<Nylina Nyhila> wow, are they easy to craft :o?

[1]<Nylina Nyhila> or desynth?

[1]<Nylina Nyhila> I don't know how you get them

[1]<Hale Storm> i can desynth to get material for them, but getting the fish is a pain lol

[1]<Illuminos Beldrobbaen> the maro stuff is from desynthed fish

[1]<Hale Storm> and its not 100% or even 50% successrate on getting material

[1]<Illuminos Beldrobbaen> blue and red one at least

[1]<Inzoum Zimia> needs floss silk and stuff, not overly expensive, but not ultra cheap either

[1]<Nylina Nyhila> so only noomy could do it, we couldn't get one for each participant, I was really thinking about something smaller :P

[1]<Illuminos Beldrobbaen> noomz how high is your culinarian desynth?

[1]<Hale Storm> 84,29

[1]<Illuminos Beldrobbaen> :D

[1]<Hale Storm> i was suggest something else as reward, but bob's not here to say: Nay

[1]<Nylina Nyhila> re we talking about the prize for the winner or about small prizes for all the participants?

[1]<Nylina Nyhila> lol that requires fc credits, then ;)

[1]<Hale Storm> could be any price that we can craft ourself or get material for, then there's also treasure maps we can offer

[1]<Hale Storm> indeed ny lol

[1]<Hale Storm> im more for treasure maps reward, and i can store up to 9 on my retainers &myself

[1]<Inzoum Zimia> keep in mind that furniture prizes will not be ok for members with no rooms

[1]<Inzoum Zimia> most FC Credit items are furniture

[1]<Nylina Nyhila> go for treasur maps, then

[1]<Hale Storm> aye but i think there was some other stuff too u could get

[1]<Nylina Nyhila> wyvern?

[1]<Hale Storm> hm no, i cant remember

[1]<Nylina Nyhila> no actually, wyvern map is a bad idea

[1]<Hale Storm> wrym map is soloable to 60s

[1]<Nylina Nyhila> those who don't have the expansion won't be able to open them

[1]<Hale Storm> hidden maybe?

[1]<Hale Storm> unhidden*

[1]<Nylina Nyhila> I think they're still expensive

[1]<Inzoum Zimia> they're still expensive and the contents suck

[1]<Hale Storm> but most valueble map is proolly boarskin in terms of possible rewards

[1]<Inzoum Zimia> are there really people who don't have heavensward and who'll participate in the crest design contest?

[1]<Nylina Nyhila> maybe

[1]<Ezzy Sam> theres one in fc... forgot name..

[1]<Nylina Nyhila> I just don't want to make ppl feel excluded

[1]<Nylina Nyhila> and several ppl are not there yet

[1]<Inzoum Zimia> I would personally just suggest an alternate reward to players who don't have heavensward

[1]<Nylina Nyhila> that's an option

[1]<Inzoum Zimia> players in HW content won't be interested by pre-HW maps

[1]<Nylina Nyhila> so, the cushion for the winner and wyvern maps for the participants?

[1]<Nylina Nyhila> (or another map for those who don't have HW access)

[1]<Hale Storm> waiiit

[1]<Hale Storm> thats alot of maps

[1]<Inzoum Zimia> even if we have 20 participants, it's still not that many

[1]<Nylina Nyhila> or we could go back to traditional chocobo food?

[1]<Hale Storm> is this for crest design?

[1]<Nylina Nyhila> yes noomy

[1]<Inzoum Zimia> yes

[1]<Hale Storm> ok

[1]<Illuminos Beldrobbaen> nyli dc

[1]<Inzoum Zimia> yup

[1]<Hale Storm> we could offer ☐Coke to participants

[1]<Inzoum Zimia> Nyli 90k, she's next to me

[1]<Inzoum Zimia> let's continue

[1]<Hale Storm> o/

[1]<Inzoum Zimia> almost done

Scar Undutchable dozes off quietly.

[1]<Hale Storm> we could also offer "Get married to a random person" reward lol

Scar Undutchable pokes Nylina Nyhila.

[1]<Inzoum Zimia> for the participation prize for crest design contest, either we take a decision now or we default to Krakka for everyone

[1]<Hale Storm> o/ Maps

[1]<Inzoum Zimia> so please vote, maps or krakk?

[1]<Ezzy Sam> o/ krakka

[1]<Illuminos Beldrobbaen> krakka o/

[1]<Inzoum Zimia> maps o/

[1]<Inzoum Zimia> Nyli is Krakka

[1]<Hale Storm> well thats decided then lol

[1]<Illuminos Beldrobbaen> yup from today on nyli is a root vegetable

[1]<Hale Storm> groovy

[1]<Inzoum Zimia> Krakka then

Scar Undutchable slaps the ugly duckling.

Scar Undutchable slaps the cactuar cutting.

[1]<Inzoum Zimia> let's move on to the next topic

Scar Undutchable slaps the cactuar cutting.

[1]<Inzoum Zimia> Nyli asks if leaders are ready to schedule 1 event a month (each) on the calendar?

[1]<Inzoum Zimia> can be basic stuff like primal runs, dungeon runs, maps etc...

[1]<Ezzy Sam> <--- cant think of any :P

[1]<Scar Undutchable> will be maps then ...

[1]<Hale Storm> dodo extermination grind!

[1]<Inzoum Zimia> primal ex (old ones and new) would be great for furniture mats

[1]<Inzoum Zimia> can be levelling in low-level areas for new jobs

[1]<Inzoum Zimia> anything goes

[1]<Illuminos Beldrobbaen> thats true

[1]<Hale Storm> currency grind, minion grind etc

[1]<Ezzy Sam> ooh /thumbsup

[1]<Inzoum Zimia> but please put something up, we're not asking for once a week anymore, but I'm sure once a month is not too much to ask of you

[1]<Hale Storm> gatering grind 1-2hours for airship build maybe

[1]<Inzoum Zimia> can we agree on that?

[1]<Hale Storm> gathering

[1]<Scar Undutchable> np

[1]<Hale Storm> im game

[1]<Illuminos Beldrobbaen> sure

[1]<Inzoum Zimia> that's an idea noomy

[1]<Ezzy Sam> k i'll schedule afk event with kami :P jk

[1]<Inzoum Zimia> ok, great, thanks on behalf of Nyli

You slap Ezzy Sam.

[1]<Ezzy Sam> awwww

[1]<Hale Storm> also: walk no0my's pet dod "Bertrude" once a week event

[1]<Hale Storm> dodo*

[1]<Inzoum Zimia> As bob isn't here, we forgot a topic

[1]<Hale Storm> or he will shit the hosue down

[1]<Hale Storm> ok bob can do it

Illuminos Beldrobbaen pokes Nyliina Nyhila.

[1]<Inzoum Zimia> We agreed together last meeting to progressively raise our minimum stash of FC credits

[1]<Ezzy Sam> lol

[1]<Inzoum Zimia> right now our minimum is 500k credits

[1]<Hale Storm> we had 700k last night it hink, 20k is missing!

[1]<Ezzy Sam> i bought buff

[1]<Hale Storm> alcohol?

[1]<Inzoum Zimia> Nyli and I both don't see much interest in stashing without ever spending, so we'd like to increase this a little but not so much that it doesn't make sense

[1]<Inzoum Zimia> Nyli proposes to raise the minium to 600k for now

[1]<Hale Storm> well i kinda agree, just that there isnt much to spend it on lol

[1]<Ezzy Sam> /thumbsup

[1]<Inzoum Zimia> we have to raise it though, we all voted on that and agreed to it last meeting, we owe it to Bobbin to honor our agreement

[1]<Hale Storm> there's also a guide on how to increse FC credits on our website if anyone's interested to know how to.

>> Kami Kaze: POKE

[1]<Ezzy Sam> saw it

[1]<Inzoum Zimia> Does everyone agree to setting 600k as the new minimum or does anyone have something else to suggest?

[1]<Scar Undutchable> where can i see that ? under where ?

[1]<Hale Storm> works for me

[1]<Illuminos Beldrobbaen> agreed :)

[1]<Hale Storm> free company tab: Rank: 685,046 up top right corner

[1]<Inzoum Zimia> Nyli is obviously in agreement as this is her proposal, and so am I

[1]<Inzoum Zimia> thanks Noomy

[1]<Hale Storm> np

[1]<Scar Undutchable> no i ment what to do get fc points ?

[1]<Hale Storm> so...can i spend the 85k right now? lol

[1]<Inzoum Zimia> no :P

[1]<Hale Storm> damn lol

[1]<Inzoum Zimia> keep in mind we'll be raising this a little bit every now and then

[1]<Inzoum Zimia> so let's try not to edge the limit continuously

[1]<Illuminos Beldrobbaen> hehe

[1]<Ezzy Sam> http://gondwana.cc/forum_threads/2190171

[1]<Inzoum Zimia> we'll need this for FC buffs and airship fuel

[1]<Inzoum Zimia> anyway, so that settles it, new limit is 600k

[1]<Hale Storm> fc buffs smuffs

[1]<Inzoum Zimia> under which we'll need to watch our spending to get us back up

[1]<Inzoum Zimia> That's the last of the topics we had planned for this meeting, does anyone else have something they wish to discuss?

[1]<Hale Storm> i think kami is afk lol

[1]<Inzoum Zimia> his loss

[1]<Hale Storm> or he fell the F asleep

Nylina Nyhila has logged out.

Hale Storm: hey you! ducky, attack kami!

Hale Storm pokes the ugly duckling.

Ezzy Sam performs the Manderville for Kami Kaze.
