

## Gondwana Leaders' Meeting

2016-02-27

[1]<Nylina Nyhila> welcome here and ty all for coming :)

[1]<Bobbin Threadbare> yw

[1]<Nylina Nyhila> as i said, a lot of topics are interconnected so we may not be able to follow the order but i'll try :P

[1]<Bobbin Threadbare> ldr really need 1 galka. when u gonna change, scar? XD

[1]<Bobbin Threadbare> k

[1]<Nylina Nyhila> I'll start with the materia topic

[1]<Nylina Nyhila> with the new patch I think we can expect a higher interest for materias

[1]<Scar Undutchable> irdk

[1]<Kami Kaze> doubt that

[1]<Bobbin Threadbare> lol understood, scar

[1]<Scar Undutchable> money ...

[1]<Bobbin Threadbare> hmmm

[1]<Inzoum Zimia> People will want to focus on Grade V materia, Nyli

[1]<Kami Kaze> u cant advance meld the blue gear

[1]<Inzoum Zimia> airships don't currently bring those back

[1]<Bobbin Threadbare> also, grade V can't be use for overmelds as well

[1]<Asbel Alseif> can only use G5 mat on current ilvl gear

[1]<Nylina Nyhila> I see

[1]<Bobbin Threadbare> oh?

[1]<Bobbin Threadbare> even 3.0 gears can't?

[1]<Nylina Nyhila> well, then i guess it shorten the topic a little :P

[1]<Kami Kaze> grade 5 materia can get easily

[1]<Bobbin Threadbare> not for doh/dols

[1]<Nylina Nyhila> I was thinking we could advertize our materia bank a bit more

[1]<Asbel Alseif> û^Prototype Midan Ring of Slaying

[1]<Scar Undutchable> i think they come later with the 240 gear that fits a bit

[1]<Inzoum Zimia> I think we should probably reduce our materia bank

[1]<Inzoum Zimia> keep Grade III-IV for Gathering and Crafting materia, and only Grade IV for the rest

[1]<Bobbin Threadbare> yea, which I was suggesting @ ny's mail

[1]<Nylina Nyhila> should we focus on DoLoH materias only then?

[1]<Kami Kaze> also if u have started beast tribe u can see the bird food is freaking cheap

[1]<Inzoum Zimia> Grade III won't be interesting to use on the toimestone gear

[1]<Bobbin Threadbare> i was thinking about main stat materias like str/dex/int/etc

[1]<Nylina Nyhila> we'll talk about the garden later, kami

[1]<Bobbin Threadbare> i haven't check mb for those main stat materia, but i assume they would be not as expensive

[1]<Asbel Alseif> i doubt G5 Mat going to go for alot now

[1]<Bobbin Threadbare> but yeah, along with inzy suggestion, this will give more space greatly

[1]<Inzoum Zimia> well, we have some Grade II and IV for these

[1]<Inzoum Zimia> if airships start dropping Grade V of any kind  
[1]<Bobbin Threadbare> btw, does doh/dol grade V could come from airship too?  
[1]<Nylina Nyhila> so we should reduce what we have in bank  
[1]<Asbel Alseif> diadem probably  
[1]<Bobbin Threadbare> hmmm  
[1]<Asbel Alseif> they gotta something so people will go to diadem  
[1]<Inzoum Zimia> no grade V whatsoever in airship runs, except maybe new sectors, don't know about these  
[1]<Bobbin Threadbare> i c  
[1]<Nylina Nyhila> then we'll have to see what our airship can bring back  
[1]<Kami Kaze> maybe keep those relic materia  
[1]<Bobbin Threadbare> well... i was hoping we could make more free space, at least for weekly recipe if possible  
[1]<Nylina Nyhila> we'll consider that :P  
[1]<Nylina Nyhila> also, I noticed that the spiritbounding fc buffis not scheduled anymore since v3 started  
[1]<Nylina Nyhila> should we squeeze it ont eh calendar?  
[1]<Bobbin Threadbare> not many ppl gonna do relics i recon, so maybe just keep grade III @ alts and just let member know if they need, they can tell  
[1]<Inzoum Zimia> yeah, I agree with Bobbin on this  
[1]<Nylina Nyhila> we still have free spots, on Wednesday for example  
[1]<Inzoum Zimia> but even so, I think most people will just grab their materias on MB

### ***Inzoum and Nylina get disconnected***

[1]<Bobbin Threadbare> i'm not sure about sb party anymore. 3.0 really overloads us, plus i kinda thought ppl would prefer do stuff like diadem instead  
[1]<Kami Kaze> someone just did his relic but cant find the materia on mb  
[1]<Bobbin Threadbare> oh? is it fc member, kami?  
[1]<Kami Kaze> yes  
[1]<Bobbin Threadbare> i c  
[1]<Asbel Alseif> could just keep minimal  
*Scar Undutchable consoles Inzoum Zimia.*  
[1]<Kami Kaze> 90k  
*Scar Undutchable consoles Nylina Nyhila.*  
[1]<Bobbin Threadbare> maybe need do quick list from relic quest for each job on what grade 3 materia needed and save those only in chest  
[1]<Asbel Alseif> personally using melding mat into lvling gear is pretty meh when gear get repleace quickly during lvling  
[1]<Bobbin Threadbare> shudn't be that many  
[1]<Bobbin Threadbare> lol yea  
[1]<Kami Kaze> break time  
[1]<Ezzy Sam> :)  
[1]<Asbel Alseif> unless you are min/maxing states any G3 mat will do

[1]<Asbel Alseif> stats\*  
[1]<Bobbin Threadbare> mmm?  
[1]<Kami Kaze> they 90k  
[1]<Bobbin Threadbare> oh... inzy dc. lol  
[1]<Bobbin Threadbare> and SIT! lawl

### ***Inzoum and Nylina re-connect***

[1]<Nylina Nyhila> so, sorry for the interruption  
[1]<Inzoum Zimia> alright, annoying that I lost the chat log, but whatever  
[1]<Nylina Nyhila> what's the last sentence you saw in the chatlog (from me?)  
[1]<Bobbin Threadbare> well... asbel was p\*\*ping ur face. lawl  
[1]<Asbel Alseif> "asbel is awesome"  
[1]<Scar Undutchable> bank ,materia , ....  
[1]<Nylina Nyhila> the last sentence I said?  
[1]<Asbel Alseif> [21:41][2]<Nylina Nyhila> we still have free spots, on Wednesday for example  
[1]<Ezzy Sam> [21:41][5]<Inzoum Zimia> yeah, I agree with Bobbin on this  
[1]<Bobbin Threadbare> [20:41][8]<Nylina Nyhila> we still have free spots, on Wednesday for example  
[1]<Nylina Nyhila> ok, ty  
[1]<Ezzy Sam> booo, cant paste whole thing :P  
[1]<Bobbin Threadbare> there's quite long chat after u said that tho  
[1]<Nylina Nyhila> so, would it make sence to add spiritbonding fc buff to the calendar?  
[1]<Inzoum Zimia> ok, that was spiritbonding buff  
[1]<Asbel Alseif> how many people SB actually?  
[1]<Ezzy Sam> ^^^^^^^  
[1]<Bobbin Threadbare> well, as I said before, I kinda doubt it.  
[1]<Asbel Alseif> in order to get G5 mat you probably need ivl200?  
[1]<Scar Undutchable> /  
[1]<Bobbin Threadbare> think ppl might prefer doing stuff like diadem instead  
[1]<Inzoum Zimia> honestly ,not really, people have faster, more accurate means of getting grade V materia, and the gear they wear in general is green/blue  
[1]<Nylina Nyhila> well, i didn't see your answer, I just wanted to know if my last sentenced was posted  
[1]<Bobbin Threadbare> not to mention 3.0 gave alot of stuff that already makes me personally overwhelmed  
[1]<Nylina Nyhila> ok, so no need to spend energy on that fc action, indeed  
[1]<Nylina Nyhila> that true, Bob  
[1]<Asbel Alseif> it easy to farm gil with beastman dailies  
[1]<Bobbin Threadbare> think so, ny, but let;s hear others 1st  
[1]<Nylina Nyhila> so, we'll reduce the materia bank (but i'd still like us to advertise it more)  
[1]<Bobbin Threadbare> yeah, and ny, did u get our conversation regarding ppl might need grade III for relic quest?

[1]<Scar Undutchable> i still do  
[1]<Nylina Nyhila> I don't think so  
[1]<Nylina Nyhila> I don't remember that  
[1]<Bobbin Threadbare> well... in recap, i suggest taking quick note on materia needed on job quest and save those only  
[1]<Nylina Nyhila> but I don't think a lot of ppl will work on the old relic  
[1]<Asbel Alseif> keep it minimal  
[1]<Inzoum Zimia> we got that part of the discussion, but I don't think people will still be doing that old relic much anymore  
[1]<Bobbin Threadbare> we'll never know ny, plus kami did say that grade III kinda scarce on mb  
[1]<Ezzy Sam> thought u can get anima without doing the 2.0 items  
[1]<Nylina Nyhila> but we can keep them on Ligeia  
[1]<Asbel Alseif> any mat will do now unless people are still min/max stats.  
[1]<Scar Undutchable> too burn and get the new one  
[1]<Nylina Nyhila> I don't think Bob is talking about the alexandrite part  
[1]<Bobbin Threadbare> nope. the very 1st relic quest  
[1]<Inzoum Zimia> yeah, they can probably just burn through stacks of the cheapest MB materia  
[1]<Nylina Nyhila> but the basic one  
[1]<Inzoum Zimia> as for the pre-relic that requires 2x melds grade III  
[1]<Bobbin Threadbare> it was kami who brought this topic  
[1]<Inzoum Zimia> that's not worth losing so many chest slots over in my opinion  
[1]<Bobbin Threadbare> kami, anything to add?  
[1]<Kami Kaze> its not that many some weapons use same materia  
[1]<Bobbin Threadbare> i did suggest keeping all grade III on alts and let member know if they need, they can notify leaders aboutit  
[1]<Nylina Nyhila> I think Bob's suggestion makes sense  
[1]<Bobbin Threadbare> oh.... i just remember: novus. that's gonna take quite some tho. lol  
[1]<Bobbin Threadbare> if there's ppl actually wanna do it  
[1]<Bobbin Threadbare> (like me XD)  
[1]<Ezzy Sam> @.@  
[1]<Scar Undutchable> /  
[1]<Bobbin Threadbare> glamours ezzy. lawl  
[1]<Nylina Nyhila> but i doubt ppl still want to work on this except you :P  
[1]<Bobbin Threadbare> glamours, ny. lawl  
[1]<Inzoum Zimia> we can hold them on ligeia  
[1]<Bobbin Threadbare> also, RNG-hater. lawl  
[1]<Inzoum Zimia> but I doubt people will bother asking  
*Ezzy Sam agrees wholeheartedly with Bobbin Threadbare.*  
[1]<Bobbin Threadbare> I really... REALLY hate doing atma farms. REALLY. lawl  
[1]<Nylina Nyhila> still, only a few ppl will have time for working on that, we should focus on what can be profitable to most of the ppl  
[1]<Scar Undutchable> lol

[1]<Asbel Alseif> it not that bad now  
[1]<Asbel Alseif> books on the other hand...  
[1]<Nylina Nyhila> anything to add regarding to materias?  
[1]<Bobbin Threadbare> don't care. RNG is RNG. They always sux. lawl  
[1]<Inzoum Zimia> nothing to add here  
[1]<Bobbin Threadbare> but yeah, I guess can keep grade 3 on alts for time being  
[1]<Asbel Alseif> not really just keep mat to minimal unless there is someone that needs it  
[1]<Ezzy Sam> <-- agree to put in alts  
[1]<Nylina Nyhila> ok, let's move to the second topic  
[1]<Nylina Nyhila> FC credits  
[1]<Nylina Nyhila> guys, we're rich :P  
[1]<Bobbin Threadbare> lawl  
[1]<Bobbin Threadbare> that's it? lol  
*Ezzy Sam bursts out laughing.*  
[1]<Asbel Alseif> can we get boobs with those?  
[1]<Nylina Nyhila> 1.2 millions fc credits  
[1]<Bobbin Threadbare> k. moving on. lawl  
[1]<Inzoum Zimia> nearly 1.25M FC Credits  
[1]<Asbel Alseif> what are credits used for?  
[1]<Nylina Nyhila> that's way more than expected  
[1]<Bobbin Threadbare> yeah, still not beating my old fc credits last time i left tho. lawl  
[1]<Scar Undutchable> 0.0  
[1]<Bobbin Threadbare> but kudos still XD  
[1]<Inzoum Zimia> we can buy FC buffs, Tanks of Ceruleum and Mission Ceruleum, some furniture items  
[1]<Nylina Nyhila> they are used for fc buffs, for some items relating to airships  
[1]<Nylina Nyhila> and yeah, furniture  
[1]<Asbel Alseif> nothing really useful i guess  
[1]<Bobbin Threadbare> speaking of buffs, grade 5 wheel table anyone?  
[1]<Kami Kaze> i want minfilia in my room  
[1]<Nylina Nyhila> nope Bob :P  
[1]<Bobbin Threadbare> i wanna that kewl Bahamut in mah room! XD  
[1]<Nylina Nyhila> not as long as we don't use it more, ut we'll talk about that later  
[1]<Nylina Nyhila> so we have a lot of FC credits, what to do with that?  
[1]<Asbel Alseif> donate to charity >..  
[1]<Scar Undutchable> burn them  
[1]<Nylina Nyhila> I guess many of us would be interested in the furniture  
[1]<Bobbin Threadbare> joke aside, just keep em for time being. it's not like it's crime saving em. lawl  
[1]<Kami Kaze> we r wasting the table  
[1]<Asbel Alseif> it not about the money...it about sending the message  
[1]<Nylina Nyhila> no need to save forever, Bob  
[1]<Inzoum Zimia> no, but I find it almost criminal to stash them without letting our members enjoy them

[1]<Kami Kaze> not making grade 2 and 3 wheels  
[1]<Ezzy Sam> rewards fc credits furniture in an event.... <hides>  
[1]<Bobbin Threadbare> lol  
[1]<Nylina Nyhila> exactly, kami  
[1]<Asbel Alseif> probably rhat Ezzy says  
[1]<Nylina Nyhila> actually, that's an idea, Ezzy :o  
[1]<Asbel Alseif> event can have more items  
[1]<Bobbin Threadbare> ooo Bahamut! XD  
[1]<Nylina Nyhila> I didn't think about that  
[1]<Ezzy Sam> :)  
[1]<Bobbin Threadbare> wait... was bahamut tradeable?  
[1]<Inzoum Zimia> yeah, we're not using the aetherial wheel table fully, no need for level 5 unless we intend to spin 2x Grade II at once, or unless it spins things faster  
[1]<Nylina Nyhila> I was thinking about giving access to the members who are interested but I don't know how to make it fair  
[1]<Nylina Nyhila> we'll have to check  
[1]<Asbel Alseif> crafters?  
[1]<Bobbin Threadbare> it might spin faster inzy, each grade upgrades does spin faster, no?  
[1]<Nylina Nyhila> guys, can we talk abut that aetherial wheel later? :P  
[1]<Inzoum Zimia> no, just more wheels at once  
[1]<Bobbin Threadbare> well... it kinda relates with fc credits  
[1]<Nylina Nyhila> that' goes with next topic  
[1]<Bobbin Threadbare> ah k  
[1]<Nylina Nyhila> you're right, though  
[1]<Bobbin Threadbare> then like someone says, event might be good  
[1]<Nylina Nyhila> so, yay for ezzy's idea :)  
[1]<Bobbin Threadbare> like Bahamut 4 1st prize XD  
[1]<Inzoum Zimia> yeah, agree with ezzy's plan  
[1]<Bobbin Threadbare> errr... rectify, Bahamut for runners up XD  
[1]<Nylina Nyhila> but we'll have to check if they are tradable  
*Ezzy Sam smiles.*  
[1]<Inzoum Zimia> except that not everyone has housing  
[1]<Nylina Nyhila> you don't want to win, Bob? ;)  
[1]<Inzoum Zimia> so furniture wouldn't be a good prize for someone without a room  
[1]<Bobbin Threadbare> i jez wanna Bahamut. lawl  
[1]<Asbel Alseif> doesnt matter even if they sell though no?  
[1]<Nylina Nyhila> well, then we'll have to check if it's sellable  
[1]<Asbel Alseif> at least they won something  
[1]<Bobbin Threadbare> think they're unsellable  
[1]<Inzoum Zimia> don't know if they're allowed on MB  
[1]<Asbel Alseif> lol  
[1]<Nylina Nyhila> damn  
[1]<Inzoum Zimia> I think they're market prohibited  
[1]<Ezzy Sam> :(

[1]<Bobbin Threadbare> tradeable might tho

[1]<Nylina Nyhila> well, or we can propose the choice between that and another thing

[1]<Inzoum Zimia> one thing we COULD do is propose either the furniture or offer to pay for them to buy a room

[1]<Nylina Nyhila> like we did for the second prize last time : male or female gear

[1]<Nylina Nyhila> if it's a member who wins it

[1]<Inzoum Zimia> if it's a member, yes

[1]<Nylina Nyhila> I don't think we'll recruit that way :P

[1]<Bobbin Threadbare> well... according to mb, bahamut's unsellable only. guess it's still tradeable

[1]<Bobbin Threadbare> sorry, according to xivdb. lol

[1]<Nylina Nyhila> ok, if anyone has another idea of what we could do with those millions of FC credits (let's not forget we set the limit at 600k fc credits), don't hesitate to post something on the website

*Ezzy Sam agrees wholeheartedly.*

[1]<Kami Kaze> donate all to kami foundation

[1]<Asbel Alseif> SE need to find someway for it to be useful really

[1]<Bobbin Threadbare> i still stand on my idea: keep saving em, learn to racking em. lawl

[1]<Nylina Nyhila> no need to save them endlessly, Bob

[1]<Scar Undutchable> SORRY going to the Lidl fast bb in less then 10 ; ;

[1]<Nylina Nyhila> but i guess we could buy some more to decorate the house?

*Ezzy Sam gently pats Scar Undutchable.*

[1]<Nylina Nyhila> ok Scar

[1]<Inzoum Zimia> we could buy whatever we don't already have for the house

[1]<Inzoum Zimia> as for the lower limit on FC credits, at this point I can't picture us going under 1 million ever again

[1]<Bobbin Threadbare> ny, could we move on. think there might be something and I might need to leave soon-ish

[1]<Inzoum Zimia> they increased the rate of acquisition of FC credits this patch and it REALLY shows

[1]<Nylina Nyhila> yep. now regarding to the workhop, the recipe of the week and the aetherial wheels)

[1]<Asbel Alseif> They just need to increase the usefulness of it XD

*Ezzy Sam agrees wholeheartedly with Asbel Alseif.*

[1]<Nylina Nyhila> as Kami said, we don't use the aetherial table enough

[1]<Nylina Nyhila> so i'm not in favor of crafting a new one as long as we don't use the one we have more

[1]<Nylina Nyhila> so we should first focus on that

[1]<Nylina Nyhila> I was thinking about scheduling workshop events

[1]<Nylina Nyhila> to motivate us to craft more

[1]<Nylina Nyhila> the grade II and III wheels

[1]<Inzoum Zimia> maybe we should schedule these indeed

[1]<Bobbin Threadbare> i might not really mind

[1]<Nylina Nyhila> Sint also gave me an idea with the recipe of the week event

[1]<Inzoum Zimia> the level 5 wheel is inexpensive to make, though  
[1]<Inzoum Zimia> but we don't really need it  
[1]<Bobbin Threadbare> i c  
[1]<Nylina Nyhila> for those who don't know, he asked us to re-establish the old meal crafting weekly event  
[1]<Asbel Alseif> do we have alot of high lvl crafter?  
[1]<Kami Kaze> ya  
[1]<Ezzy Sam> theres 3 in this room?  
[1]<Kami Kaze> 2  
[1]<Ezzy Sam> lol  
[1]<Nylina Nyhila> let's not forget some ingredients and recipes are not that high level  
[1]<Asbel Alseif> that not alot :(  
[1]<Asbel Alseif> by high lvl i mean post 50  
[1]<Nylina Nyhila> so Sint, wanted us to craft food but we don't use our food much  
[1]<Asbel Alseif> you should if you want to try to raid though  
[1]<Kami Kaze> 2/7 in this room and we have 140 members  
[1]<Asbel Alseif> high lvl food i mean  
[1]<Nylina Nyhila> but we could use that to focus on the ingredients we need for grade I and III wheels  
[1]<Kami Kaze> forget about grade 1 its useless  
[1]<Inzoum Zimia> problem is that the real endgame food requires ingredient from blue scrips, which would require personal involvement from crafters, and that's a no as far as I'm concerned  
[1]<Asbel Alseif> dont really craft so i can say much lol  
[1]<Nylina Nyhila> I don't believe in the top quality food... I think it would be a waste of energy : some recipes requires blue scrip ingredients  
[1]<Nylina Nyhila> well, what inzy said  
[1]<Asbel Alseif> even stuff like Baked Pipira Pipira?  
[1]<Nylina Nyhila> crafter need their scrips for their own progression imo  
[1]<Bobbin Threadbare> while I understand this, it might be best to support ppl who wanna raids tho, maybe as incentive for others too  
[1]<Inzoum Zimia> that's hardly endgame food  
[1]<Nylina Nyhila> that's not crafting food  
[1]<Nylina Nyhila> but we don't have any endgame raid team anymore  
[1]<Inzoum Zimia> we had a lot of raiding food in the chest in the past and no one used them  
[1]<Scar Undutchable> back , sorry dont lke rush hours `  
[1]<Nylina Nyhila> no worries, Scar  
[1]<Bobbin Threadbare> oh? speaking of that, what about asbel's?  
[1]<Nylina Nyhila> what inzy said  
[1]<Bobbin Threadbare> wb  
[1]<Nylina Nyhila> wait bob :P  
[1]<Kami Kaze> no longer exist  
[1]<Bobbin Threadbare> i c  
[1]<Nylina Nyhila> let's not rush to the other topics :P

[1]<Asbel Alseif>

Baked P ipira P ira is B S for MNK endg

[1]<Asbel Alseif> just saying

[1]<Bobbin Threadbare> well... i guess i leave it to majority votes

[1]<Inzoum Zimia> I don't mind keeping a stock of bouillabaisse HQ in the chest but anything higher than that no

[1]<Bobbin Threadbare> oh...

Baked P ipira P ira wasn't hard to m a

[1]<Bobbin Threadbare> maybe can try support for non master recipe food?

[1]<Nylina Nyhila> if you can get the fishes

[1]<Nylina Nyhila> and I can't

[1]<Bobbin Threadbare> there's ppl like Sint we could ask help

[1]<Inzoum Zimia> hmmm

[1]<Inzoum Zimia> maybe ask Sint to tell us exactly which foods he has in mind?

[1]<Bobbin Threadbare> he does help me quite alot funding those dawnborne sands

[1]<Nylina Nyhila> but we don't have enough space in the chest and we have no raiding team and we barely used the food when we had tons of it

[1]<Nylina Nyhila> I asked him Inzy and he doesn't know

[1]<Inzoum Zimia> how very helpful of him

[1]<Bobbin Threadbare> which is why we discuss cutting down materia sale supplies earlier

[1]<Nylina Nyhila> and he even didn't noticed we had doloh food in the chest

[1]<Kami Kaze> lol

[1]<Bobbin Threadbare> also, make room for some crap i saw in chest. lol

[1]<Inzoum Zimia> yeah I'll be clearing most of that crap shortly

[1]<Inzoum Zimia> I vote no for food items as recipe of the week

[1]<Kami Kaze> gimme the bunny hat

[1]<Inzoum Zimia> but I'm in favour of items needed for wheels

[1]<Bobbin Threadbare> lawl

[1]<Nylina Nyhila> why should we focus on items ppl don't use?

[1]<Inzoum Zimia> or even orchestrion rolls

[1]<Bobbin Threadbare> well... red mokos ok in my book, so yeah

[1]<Inzoum Zimia> orchestrion rolls require various types of inks and different grade rolls which are availalbe at different levels

[1]<Nylina Nyhila> we can still help people with craft when needed

[1]<Asbel Alseif> could always use more baked pirara XD

[1]<Inzoum Zimia> it would allow lower level crafters to participate as well

[1]<Nylina Nyhila> no need to have full stacks of meals ppl don't use...

[1]<Nylina Nyhila> I can craft them Asbel, bring me the mats and i'll do it

[1]<Bobbin Threadbare> lol

[1]<Nylina Nyhila> I can't guarantee hq though, i'm not as geared as inzy

[1]<Asbel Alseif> either way

[1]<Inzoum Zimia> I could make you maybe a dozen HQ at a time, but don't chain me down to the stove for a full stack, I'm not a slave

[1]<Asbel Alseif> if we ever want to do endgame content..we gonna need food to push DPS

[1]<Bobbin Threadbare> same as inzy for me. lawl

[1]<Asbel Alseif> i notice people don bring pots/food with them whenever we raid

[1]<Inzoum Zimia> tell you what.... if we DO get a team together, have members tell us what kind of foods THEY need specifically

[1]<Inzoum Zimia> and we can make those

[1]<Nylina Nyhila> but will we Asbel?

[1]<Bobbin Threadbare> i kinda agree with Asbel tho. I did try that sea-sky trainee thingie, and boy, it really force us to dps properly

[1]<Nylina Nyhila> you said ppl were not mativated enough

[1]<Inzoum Zimia> but I don't think we should stock ahead of time "just in case"

[1]<Bobbin Threadbare> this is kinda tricky tho

[1]<Asbel Alseif> yeah most people are not motivated

[1]<Asbel Alseif> but just throwing out the idea and what i notice last time

[1]<Inzoum Zimia> I don't think having food in the chest will help with motivation

**Kami Kaze: WHERE IS THE DJ?????**

[1]<Asbel Alseif> that much i agree with you inzy

[1]<Nylina Nyhila> nope, when we had tons of it ppl barely used them

[1]<Scar Undutchable> i will be crafting iff i have space ...

*Scar Undutchable gently pats Gestahl.*

[1]<Nylina Nyhila> well, regarding to end game event, since we switched to that topic...

[1]<Bobbin Threadbare> asbel, this is just me, but maybe when u really going with static, inventarize member's need for foods and see if those are possible to provide in advance

[1]<Inzoum Zimia> exactly Bob

[1]<Inzoum Zimia> just what I was saying earlier

[1]<Nylina Nyhila> do you think it will be possible to try again, now that the content is in DF?

[1]<Asbel Alseif> probably

[1]<Asbel Alseif> but...

[1]<Asbel Alseif> Thordan is still a pain to do

[1]<Kami Kaze> no worry there r ECHO now

[1]<Nylina Nyhila> already?

[1]<Asbel Alseif> could probably organized Ravana and Brismack

[1]<Kami Kaze> yep

[1]<Asbel Alseif> tried today kami

[1]<Nylina Nyhila> good

[1]<Asbel Alseif> Echo dont help much when throdan is a mechanic check

[1]<Nylina Nyhila> and ravana and Bismark X runs sounds good

[1]<Asbel Alseif> people die to divebombs, stacking needlessly etc

[1]<Kami Kaze> meteor phase is dps check echo helps

[1]<Nylina Nyhila> how many times did you get a full party?

[1]<Asbel Alseif> meteor phase is a dont suck check lol

[1]<Kami Kaze> lol

[1]<Asbel Alseif> last time? none

[1]<Inzoum Zimia> Regarding Endgame content, ORchestrion rolls are direct drop from enemy, so in order to get those from the ARR Primals and Coil, we'd need to do them the normal way, not undersized

[1]<Inzoum Zimia> so this is actually something we can include in "endgame raiding"

[1]<Kami Kaze> nah its chest drop according forum  
[1]<Nylina Nyhila> well, you got a full party once with me :P  
[1]<Inzoum Zimia> chest drop?  
[1]<Inzoum Zimia> oh, nvm then, carry on  
[1]<Asbel Alseif> well if people want we can organize  
[1]<Bobbin Threadbare> ah yeah, regarding that. there r ppl @ forum that admits that it does drop, even non undersize. haven't validate that tho  
[1]<Kami Kaze> its like ponies  
[1]<Nylina Nyhila> only that time, Asbel?  
[1]<Asbel Alseif> yeah  
[1]<Nylina Nyhila> damn :/  
[1]<Asbel Alseif> Benji is not being very reliable i say  
[1]<Nylina Nyhila> well, let's hope the df will help with that  
[1]<Kami Kaze> hhes gone  
[1]<Asbel Alseif> and quite a prick at times lol  
[1]<Nylina Nyhila> bennji kleft the server  
[1]<Nylina Nyhila> Benji\*  
[1]<Asbel Alseif> yeah  
[1]<Asbel Alseif> DF is still struggling with Thordan EX since as i said it a mechanic check like T9 instead of pushing DPS  
[1]<Nylina Nyhila> well, i'm not that surprised... I've never been convinced by him as a member  
[1]<Asbel Alseif> Ravana and Bismarck we can probably can do it with 1/2 person kissing the floor  
[1]<Nylina Nyhila> ok then, go for those events  
[1]<Nylina Nyhila> and a ponny/rolls event sounds good  
[1]<Nylina Nyhila> Kami, would you do that?  
[1]<Bobbin Threadbare> yeah, i like that  
[1]<Nylina Nyhila> or ezzy maybe?  
[1]<Nylina Nyhila> scheduling those v2 primals event  
[1]<Nylina Nyhila> while Asbel focus on v2?  
[1]<Kami Kaze> i dont even no my next week work schedule  
[1]<Nylina Nyhila> I mean v3\*  
[1]<Ezzy Sam> @.@  
[1]<Nylina Nyhila> ok, not you then  
[1]<Nylina Nyhila> or maybe inzy?  
[1]<Asbel Alseif> can probably switch Diadem with V3 imo  
[1]<Inzoum Zimia> V2 primals?  
[1]<Scar Undutchable> yam  
[1]<Bobbin Threadbare> i would love to, but my main game time is in EU prime. Can't really risk scheduling during work hours ^-;  
[1]<Nylina Nyhila> wall, i'm already alternating diadem with coil actually, people need those 2  
[1]<Asbel Alseif> Diadem gear is pretty crappy unless RNGsus love you  
[1]<Inzoum Zimia> I could maybe put some V2 primal Ex runs on evenings weekday

[1]<Inzoum Zimia> I'm not good enough with v3 primals to handle them to be honest  
[1]<Nylina Nyhila> they want the poney, Asbel :P ilvl 210 gear is a bonus  
[1]<Bobbin Threadbare> lol they r total crap now. asbel  
[1]<Asbel Alseif> that are not a total crap now...that were a total crap before  
[1]<Nylina Nyhila> why not v3 on Sundays?  
[1]<Bobbin Threadbare> probably only for tokens  
[1]<Kami Kaze> good thing i got my pony long time ago  
[1]<Asbel Alseif> i can try but i might not always be on for sunday evening  
[1]<Bobbin Threadbare> :p  
[1]<Nylina Nyhila> mmmmh  
[1]<Nylina Nyhila> then set it on saturday  
[1]<Nylina Nyhila> but what time?  
*Scar Undutchable strikes a pose.*  
[1]<Asbel Alseif> 9pm GMT+8 probably  
[1]<Nylina Nyhila> I'll try to schedule runs on Sunday (but i won't be able to do that each week myself)  
[1]<Asbel Alseif> unless you guys still want diadem  
[1]<Asbel Alseif> should just ask the FC what they want lol  
[1]<Asbel Alseif> or what they want more  
[1]<Nylina Nyhila> around this time, then?  
[1]<Bobbin Threadbare> maybe alternates  
[1]<Asbel Alseif> yeah  
[1]<Bobbin Threadbare> that time sounds good to me, but like ny says, I personally can't guarantee my participation as well  
[1]<Nylina Nyhila> ok, so yeah, schedule that on sat  
[1]<Asbel Alseif> if push come to shove they will have to pick one on what they want most  
[1]<Nylina Nyhila> i'll alternate between saturday morning (afternoon for you) and sunday afternoon (evening for you)  
[1]<Bobbin Threadbare> or maybe do the "pick your fave event from list"  
[1]<Asbel Alseif> ^  
[1]<Asbel Alseif> Survey is always a good thing to do before rolling out event  
[1]<Scar Undutchable> pick off the week :)  
[1]<Bobbin Threadbare> welll it's not really survey, just pick what ppl wanna do most on that schedule and go with it  
[1]<Nylina Nyhila> except it didn't work last time : ppl were not that interested in alex savage finally  
[1]<Kami Kaze> i am  
[1]<Bobbin Threadbare> lol alex savage too hardcore for casuals, ny  
[1]<Asbel Alseif> well  
[1]<Nylina Nyhila> but they come quite regularly for coil events  
[1]<Asbel Alseif> brismack and Ravana is not excatly hard comapre to savage  
[1]<Nylina Nyhila> well, they said they were interested but we were not able to form a static... the valentines could have helped but... they're nopt playing anymore  
[1]<Kami Kaze> none of the primals r hard once u geared up

[1]<Asbel Alseif> coughthordancough

[1]<Nylina Nyhila> lol

*Ezzy Sam bursts out laughing.*

[1]<Kami Kaze> well we r not lvl 240 yet

[1]<Bobbin Threadbare> also as additional: pick ur fave event, but cross out option already done before until all's done, and repeat from fresh pick

[1]<Nylina Nyhila> ok, let's focus on 4 things then : I continue alternating coil and diadem events

[1]<Asbel Alseif> everytime i see someone divebomb the raid..i died abit inside

[1]<Nylina Nyhila> asbel focus on v3 primals

[1]<Nylina Nyhila> inzy on v2 primals

[FC]<Asbel Alseif> guys

[1]<Nylina Nyhila> /comfort Asbel

[FC]<Asbel Alseif> how interested are you in Ravana and Brismack EX

[FC]<Nylina Nyhila> Ravana X yes /

[FC]<Bobbin Threadbare> mildly. lol

[1]<Kami Kaze> wait y r we doing v3 primals?

[1]<Inzoum Zimia> mounts

[1]<Bobbin Threadbare> o yeah, add that kewl flaming bird mount incentive from ravana x for example XD

[1]<Nylina Nyhila> some ppl need to clear and the weapons would be welcomed I guess? + the birds

[FC]<Illuminos Beldrobbaen> bismarck / want the bird :3

[1]<Kami Kaze> weapons r usless

[1]<Bobbin Threadbare> see? XD

[1]<Asbel Alseif> glamour maybe

[FC]<Nylina Nyhila> not everyone at the same time, guys, we feel overwhelmed :P

[1]<Bobbin Threadbare> nope weapons still good for gc turn ins and/or desynths

[FC]<Nylina Nyhila> ty illum :)

[1]<Asbel Alseif> yeah that about it

[FC]<Illuminos Beldrobbaen> wheeee pld ravana sword, now only thing missing is lvl 60 XD

[1]<Asbel Alseif> cant really help with thordan till i clear it

[1]<Nylina Nyhila> ok, now back to the workshop/recipes of the week topic :P

[FC]<Nylina Nyhila> Congratulations!

[1]<Bobbin Threadbare> probably until further nerfs. lol

[FC]<Asbel Alseif> if we are to schdule are v3 primal run (except thordan) will you guys be interested

[1]<Bobbin Threadbare> oh?

[1]<Nylina Nyhila> it wasn't over :P

[1]<Inzoum Zimia> yeah, you all got us sidetracked

[1]<Bobbin Threadbare> haha ^^;

[1]<Asbel Alseif> lol

[FC]<Kami Kaze> so we doing S1T7?

[1]<Inzoum Zimia> we have some more topics to cover so let's try to stay on track

[1]<Bobbin Threadbare> but i guess we covered event topics, yeah?

[1]<Asbel Alseif> cant really say for crafting as personally i dont like XIV crafting

[1]<Scar Undutchable> i need thordan but the other are cool fights

[1]<Nylina Nyhila> Yes, please.

[1]<Nylina Nyhila> so

[1]<Nylina Nyhila> food on demand, no stack in the chest

[FC]<Asbel Alseif> i wish lol

[1]<Nylina Nyhila> but i'd like to start with "the item of the week" or such

[1]<Bobbin Threadbare> need to see how much space we can free up 1st tho

[1]<Nylina Nyhila> so we have enough mats to craft the aetherial wheels grade 2 and 3

[1]<Scar Undutchable> ``primal of the week ``

[FC]<Edward Ryder> it depends on the schedule xD

[1]<Bobbin Threadbare> well... to be frank, grade 2 & 3 aren't really in huge demand atmm

[1]<Nylina Nyhila> several ingredients are necessary for the different recipes

[1]<Nylina Nyhila> hi

[1]<Nylina Nyhila> (mt)

[1]<Bobbin Threadbare> lol

[1]<Nylina Nyhila> also a few days ago, you were asking for help with silver ingots, bob, if i remember well

[1]<Nylina Nyhila> that's the kind of help I was thinking about

[1]<Inzoum Zimia> that's a perfect example of item of the week

[1]<Bobbin Threadbare> yeah. but we have enuff for some time, plus they're not that long to farm

[1]<Bobbin Threadbare> ah... good idea

[1]<Nylina Nyhila> focus each week on one item we need for those wheels, and sometimes a workshop event to craft them

[1]<Bobbin Threadbare> still need spoken blood as well

[1]<Bobbin Threadbare> but... there's like not many mats needed to make wheels tho

[1]<Nylina Nyhila> see? we're in need of some ingredients

[1]<Bobbin Threadbare> and several need quite dedicated lvl 50+ gatherers with enuff gear to farm em

[1]<Inzoum Zimia> no, but if we add orchestrion rolls to that as well, for example

[1]<Inzoum Zimia> those are in high demand atm

[1]<Asbel Alseif> well with craft of week we can probably start a ingredients of the week..just saying

[1]<Nylina Nyhila> [http://gondwana.cc/forum\\_threads/2285812](http://gondwana.cc/forum_threads/2285812)

[1]<Nylina Nyhila> anything in there would make sense

[1]<Bobbin Threadbare> i'm not sure orchestrion would keep interest for long

[1]<Asbel Alseif> it wont

[1]<Inzoum Zimia> they'll keep adding tracks, though

[1]<Bobbin Threadbare> plus, orchestrion kinda personal enjoyment and achievement, not really shared with common fc needs

[1]<Nylina Nyhila> well, should we try and see if it works?

[1]<Kami Kaze> CT will takes forever

[1]<Bobbin Threadbare> fc buffs however, does.

[1]<Nylina Nyhila> anything to add about that?

[1]<Scar Undutchable> GSM adn MIN will be interting for me but need space

[1]<Inzoum Zimia> if the FC can help its members reach personal achievements, I think we should, Bob

[1]<Bobbin Threadbare> while that's true, there's still issue with fc chest. unless SE adds more room to it

[1]<Bobbin Threadbare> believe me, i like to help with that as well

[1]<Inzoum Zimia> true

[1]<Ezzy Sam> add \$5 per 10 slot to your subs

[1]<Nylina Nyhila> I agree with Bob

[1]<Bobbin Threadbare> so keeeping something like aurum regis sands in fc chest kinda something I disagree for example

[1]<Nylina Nyhila> don't we need that for wheels?

[1]<Inzoum Zimia> no

[1]<Bobbin Threadbare> i know aurum regis sands used for inks, which also true for my red scrip grinds tho

[1]<Nylina Nyhila> oh, it must be the ink?

[1]<Bobbin Threadbare> so i'm afraid it's still prioritize fc needs I guess

[1]<Nylina Nyhila> sure

[1]<Nylina Nyhila> still regarding to the workshop, from what i unerstood, there no not a real need for the new airship parts

[1]<Bobbin Threadbare> and again, there's not much items can be used for item of the week events

[1]<Inzoum Zimia> naw, skip the new airship parts for now

[1]<Bobbin Threadbare> that's still gray area ny

[1]<Inzoum Zimia> if they increase slot allowance, maybe

[1]<Bobbin Threadbare> they might have enhance benefit

[1]<Nylina Nyhila> [http://gondwana.cc/forum\\_threads/2285812](http://gondwana.cc/forum_threads/2285812) -> I see a long list, Bob

[1]<Nylina Nyhila> then we'll keep that discussion for next meeting or the website

[1]<Nylina Nyhila> if it's a gray area

[1]<Nylina Nyhila> if anyone gets more infor about that, please let the others know :)

[1]<Bobbin Threadbare> yeah ny, but like I said, some of it requires lvl 50 gatherers with quite enuff stats to able to farm them

[1]<Bobbin Threadbare> i'm talking about gold sands and unaspected crystals for example

[1]<Nylina Nyhila> but not all of them

[1]<Bobbin Threadbare> especially mats for astral oil like seventh heaven & astral moraine which totally needs legendary nodes unlocked. ^^;

[1]<Nylina Nyhila> yeah, I cannot help with those, indeed

[1]<Asbel Alseif> i cant help with crafting XD

[1]<Bobbin Threadbare> i know, but if we cut down to things ppl can farm normally, there's not much. especially if we cut down the 3.0 areas, since there's ppl still not on heavensward yet

[1]<Bobbin Threadbare> so i guess i kinda have my doubts with item of the week, but that's just me

[1]<Nylina Nyhila> a lot of ppl have access to H zones now

[1]<Nylina Nyhila> HW\*

[1]<Bobbin Threadbare> and also, we don't really want to overstock those too fast

[1]<Bobbin Threadbare> there's still space issues after all. lol

[1]<Nylina Nyhila> regarding to the space in the chest

[1]<Nylina Nyhila> indeed

[1]<Nylina Nyhila> i was coming to that part

[1]<Nylina Nyhila> with gardening items

[1]<Kami Kaze> remove bird food or lower the price

[1]<Nylina Nyhila> as inzy mentionned it on the website and kami here : a lot of chocobo feed can be obtained with the Vath

[1]<Nylina Nyhila> yes kami

[1]<Inzoum Zimia> 348 gil each at the Vath

[1]<Bobbin Threadbare> tho there's elemental crystal/clusters we do need. but i guess we can cover them easily with fc funding maybe

[1]<Bobbin Threadbare> yeah

[1]<Inzoum Zimia> but only available to players with access to the Vath

[1]<Nylina Nyhila> we'll have to stop the production for those feed

Asbel Alseif: gona shower brb

[1]<Nylina Nyhila> we can't produce them at a cheaper price

[1]<Bobbin Threadbare> tho i suspect mb price will crash for those items

Nylina Nyhila: k

Bobbin Threadbare: lol u can't shower mid meetings

Kami Kaze: shower = \*fap\*?

[1]<Inzoum Zimia> Krakka roots, Thavnairian Onions and Curiel roots are not available at the Vath, however

[1]<Nylina Nyhila> but basically we don't really need krakkas

[1]<Bobbin Threadbare> not really. ppl still need krakkas

[1]<Nylina Nyhila> as all the feed can be used for the training

[1]<Inzoum Zimia> The food the Vath sells is equivalent to Krakkas as far as exp goes in the stables

[1]<Scar Undutchable> item 1 4 slots , item 2 7 slots ,item 3 7 left ?

[1]<Inzoum Zimia> only difference is that the other foods have added benefits

[1]<Nylina Nyhila> well, that's the strange thing : ppl focus on krakkas when other feed do the same and even more

[1]<Bobbin Threadbare> ah....

[1]<Bobbin Threadbare> just realized, guess u guys right. lol

[1]<Nylina Nyhila> actually, krakkas are only usefull for ppl (like me) who have chosen curiel as fav food for their chocobo

[1]<Inzoum Zimia> so that only leaves Curiel and Thavs as interesting food to offer

[1]<Bobbin Threadbare> with choco food @ vath quite cheap, guess that makes krakkas quite low

[1]<Bobbin Threadbare> yeah...

[1]<Nylina Nyhila> also, ppl don't buy lot of food items anymore

[1]<Nylina Nyhila> so we don't use the garden mush these times

Scar Undutchable consoles Poro Roggo.

[1]<Nylina Nyhila> I think we could open the gardens

[1]<Inzoum Zimia> we can most likely make Krakkas at or under the 348 gil/piece mark, but we'd need to gather topsoils ourselves

[1]<Nylina Nyhila> to all the drakes and over

[1]<Bobbin Threadbare> maybe put a poll for members, see if they still think food market necessary

[1]<Kami Kaze> how about we ask everyone stable their bird and feed them all for free?

[1]<Nylina Nyhila> free?

[1]<Scar Undutchable> iff i have space i will gather soil ....

[1]<Nylina Nyhila> ho could we affort that? and why?

[1]<Bobbin Threadbare> well... if there's no really huge demand for garden produced stuff, i agree

[1]<Kami Kaze> just whatever left in the chest

[1]<Inzoum Zimia> we can afford it in the sense that the Choco-Mart has been profitable

[1]<Nylina Nyhila> well, we could still close the gardens for a short production

[1]<Inzoum Zimia> revenues cover all costs already, so any stock we have right now costs exactl 0

[1]<Nylina Nyhila> true

[1]<Bobbin Threadbare> lol

[1]<Scar Undutchable> or give fc members all 30 kraka when online ...

[1]<Nylina Nyhila> then let's open the second page and mode the feed there and place the materias on the third page?

[1]<Nylina Nyhila> well, no, let's keep the krakkas, the curiels and the thavs

*Scar Undutchable slaps Poro Roggo.*

[1]<Bobbin Threadbare> maybe thavs still in 3rd chest

[1]<Inzoum Zimia> if we ever need to make more Thavs and Curiels, we'll have some off-shoot items from crossing

[1]<Bobbin Threadbare> but like i said, might be best to ask from members through polls and such

[1]<Nylina Nyhila> ask for what? opening the garden? who would mind having more permissions? :o

[1]<Inzoum Zimia> anyway... will need to check how many slots the materia will take if we remove Grade III, see if it'll fit on page 3

[1]<Bobbin Threadbare> not that. i meant with the needs of choco feeds

[1]<Nylina Nyhila> I think ppl will only want thavs

[1]<Inzoum Zimia> they only want thavs and krakka

[1]<Inzoum Zimia> the rest never sells

[1]<Kami Kaze> (steal everything)

[1]<Bobbin Threadbare> and maybe not even many need thavs as well ^^;

[1]<Bobbin Threadbare> lol kami

[1]<Nylina Nyhila> I buy curiels :P  
[1]<Nylina Nyhila> and i'll continue  
[1]<Inzoum Zimia> ok, so store seeds on Ligeia and condense pages 2 and 3, with a reduced selection of materia  
[1]<Nylina Nyhila> no need for the seed in the chest if we don't grow things regularly  
[1]<Nylina Nyhila> same for topsoils  
[1]<Bobbin Threadbare> k  
[1]<Nylina Nyhila> yes  
[1]<Nylina Nyhila> that way we'll get more space  
[1]<Nylina Nyhila> for the items of the week etc.  
[1]<Nylina Nyhila> anyone has anything to add regarding to that?  
[1]<Scar Undutchable> is there any animo for those plant minions ?  
[1]<Nylina Nyhila> what do you mean?  
[1]<Bobbin Threadbare> nope, to ny  
[1]<Kami Kaze> animo?  
[1]<Bobbin Threadbare> think scar meant: does ppl still need plant minions  
[1]<Nylina Nyhila> I don't understand  
[1]<Scar Undutchable> regeust <people want them ...  
[1]<Bobbin Threadbare> lol i understand animo  
[1]<Nylina Nyhila> well, if they want to, they can still excha,ge them for toipoils  
[1]<Nylina Nyhila> topsoils\*  
[1]<Scar Undutchable> but you get regeust weekly or ?  
[1]<Bobbin Threadbare> let's move on, shall we?  
[1]<Nylina Nyhila> oh, nope  
[1]<Nylina Nyhila> not regularly  
[1]<Inzoum Zimia> no, we sold a few like this but very very few  
[1]<Nylina Nyhila> a few at first but no requests for weeks  
[1]<Kami Kaze> cause no one advertising  
[1]<Scar Undutchable> sell them have alot of space  
[1]<Inzoum Zimia> maybe store the minions also  
[1]<Bobbin Threadbare> lol  
[1]<Nylina Nyhila> I used to but I got tired :P  
[1]<Nylina Nyhila> I need help with that, guys :P  
[1]<Kami Kaze> lets blame asbel while hes afk  
[1]<Nylina Nyhila> lol  
[1]<Bobbin Threadbare> and kami as well. lawl  
[1]<Inzoum Zimia> honestly, thos who were interested got their minions, and now it's over  
[1]<Nylina Nyhila> ok, I guess the garden topic is over  
[1]<Bobbin Threadbare> u're no.1 afk-ers. lawl  
[1]<Nylina Nyhila> almost done  
[1]<Nylina Nyhila> so I wanted to talk about gondwana rl cost  
[1]<Scar Undutchable> what special items you can get now from garden atm ?  
[1]<Nylina Nyhila> with the website, mumble and the domain name, it's around 160\$/year  
[1]<Bobbin Threadbare> ooo

[1]<Nylina Nyhila> nothing new, Scar, for all I know  
[1]<Inzoum Zimia> nothing new in gardens for ages  
[1]<Kami Kaze> there is a seed only can get from retainer but thats last patch  
[1]<Scar Undutchable> ; ;  
[1]<Scar Undutchable> so only kraka and thav and maybe some food items ....  
[1]<Nylina Nyhila> since eden and faz have left we didn't receive a lot of donation  
[1]<Bobbin Threadbare> hmmm...  
[1]<Nylina Nyhila> sorry, Scar, I've changed topic already...  
[1]<Nylina Nyhila> so  
[1]<Nylina Nyhila> the only donation we got was from sint a long time ago  
[1]<Scar Undutchable> mumble 160 a year :(  
[1]<Scar Undutchable> get a crack  
[1]<Inzoum Zimia> no Scar  
[1]<Nylina Nyhila> due to Inzy's rl change, we expect our income to decrease in the following months  
[1]<Inzoum Zimia> the mumble server, website and domain name  
[1]<Nylina Nyhila> no scar: everything : website, mumble and the domain name  
[1]<Scar Undutchable> oh ok ..  
[1]<Nylina Nyhila> so any help will be welcome, so we intend to make donation page more visible on the website and send a message to everyone  
[1]<Nylina Nyhila> some help would be welcome with advertisement as well  
[Asbel Alseif: back](#)  
[1]<Inzoum Zimia> the mumble server has never seen more than 14 members at the same time, we're paying for a max of 25  
[Bobbin Threadbare: lol wb](#)  
[1]<Nylina Nyhila> so that's what I'm asking : please remind the ppl that gondwana has a cost and that we'd be gratefull for any help  
[Nylina Nyhila: wb](#)  
[1]<Asbel Alseif> discord is free i think  
[1]<Nylina Nyhila> we'll try to reduce the cost as well  
[1]<Inzoum Zimia> i'm thinking of downgrading it to 20 members max so we don't pay too much extra  
[1]<Nylina Nyhila> website?  
[1]<Inzoum Zimia> discord is brower-based  
[1]<Asbel Alseif> <https://discordapp.com/>  
[1]<Nylina Nyhila> we'll consider this then, ty  
[1]<Asbel Alseif> it pretty popular in reddit  
[1]<Bobbin Threadbare> just checked, there's app for mobile version as well  
[1]<Inzoum Zimia> yeah, they added app for mobile  
[1]<Nylina Nyhila> if we could pay yearly for the shivtr subscription, we would save amost 18] as well, so if we could gather some money, that would be an option too  
[1]<Nylina Nyhila> there is another thing we could do  
[1]<Inzoum Zimia> worth considering switching over to discord  
[1]<Nylina Nyhila> but that change would have "heavier consequences"

[1]<Asbel Alseif> i mean it beat sending extra expense if you can get it for free

[1]<Asbel Alseif> spending\*

[1]<Nylina Nyhila> sure, asbel

*Scar Undutchable slaps the wind-up Minfilia.*

[1]<Nylina Nyhila> we'll consider that option when the mumble subscription will be down :)

[1]<Bobbin Threadbare> can test ahead and see how it performs

[1]<Nylina Nyhila> Inzy proposes to try it and to see what we hink about it

[1]<Inzoum Zimia> exactly what I was just telling her vocally, Bob :P

[1]<Bobbin Threadbare> no need to wait till mumble subs over

[1]<Nylina Nyhila> precisely, bob :)

[1]<Bobbin Threadbare> lol k

[1]<Bobbin Threadbare> anything else, ny?

**Asbel Alseif: ASBEL AND KAMI COMBINES!**

[1]<Nylina Nyhila> gondwana.ovh costs us 1\$ / year, vs 22 for .cc

[1]<Nylina Nyhila> the problem is

**Kami Kaze: KABEL or ASMI?**

[1]<Nylina Nyhila> we're used to gondwana.cc

[1]<Scar Undutchable> and btw mumble is old it sound like 8k to me

[1]<Inzoum Zimia> I've already registered gondwana.ovh, by the way, for testing

**Asbel Alseif: Kabel sound better as Asmi**

[1]<Nylina Nyhila> so will people find the website if we switch to .ovh?

[1]<Scar Undutchable> .ovh ?

[1]<Asbel Alseif> which domain is that?

[1]<Nylina Nyhila> gondwana.ovh instead of gondwana.cc

[1]<Inzoum Zimia> OVH is my hosting company for inzoum.com

[1]<Asbel Alseif> ahh

[1]<Inzoum Zimia> they have their own top level domain now

[1]<Inzoum Zimia> cost is DIRT CHEAP

[1]<Inzoum Zimia> compared to .cc

[1]<Nylina Nyhila> but precisely : no one knows that

[1]<Inzoum Zimia> no one knows .cc either

[1]<Asbel Alseif> cant really suggest stuff for website since the only comparison i have is probard

[1]<Inzoum Zimia> never seen it used before Gondwana

[1]<Asbel Alseif> proboard

[1]<Bobbin Threadbare> can we access now, or it's still locked?

[1]<Inzoum Zimia> you can't acces it but for another reason, Bob

[1]<Inzoum Zimia> website can only be active under one domain at a tie

[1]<Inzoum Zimia> for reasons too long to explain

[1]<Bobbin Threadbare> i c

[1]<Inzoum Zimia> I can switch it over anytime as gondwana.ovh is already pointing to shivtr servers

[1]<Nylina Nyhila> a change of the website address... will people get used to that?

[1]<Inzoum Zimia> I can have gondwana.cc redirect to gondwana.ovh automatically while both domains coexist

[1]<Inzoum Zimia> we'll just have to MASSIVELY stress the importance of updating bookmarks and such

[1]<Nylina Nyhila> especially the inactive members who may think we don't exist anymore if we change the address

[1]<Bobbin Threadbare> i'm sure it's probably not big deal. just put that in FC board message :)

[1]<Nylina Nyhila> no one read the board message

[1]<Kami Kaze> like anyone read that

[1]<Nylina Nyhila> let's be realistic :P

[1]<Bobbin Threadbare> ah... probably need to mail as well i guess

[1]<Ezzy Sam> mail?

[1]<Inzoum Zimia> we'll just repeat it over and over in chatlog

[1]<Bobbin Threadbare> lol

[1]<Asbel Alseif> are we able to redirect .cc to .ovh ?

[1]<Nylina Nyhila> oh, certainly... but who read their emails and remember? :P

[1]<Kami Kaze> autospam

[1]<Inzoum Zimia> yes but only while I still pay for .cc

[1]<Bobbin Threadbare> yeah, mail might be good, for inactive members

[1]<Inzoum Zimia> it's due to expire in 2016/06

[1]<Asbel Alseif> ahh

[1]<Inzoum Zimia> but saving 20\$+ a year over it is very worth considering

[1]<Bobbin Threadbare> yeah

[1]<Nylina Nyhila> I can't make a decision about that

[1]<Nylina Nyhila> it will also have consequences on the webmail system and we should discuss that with eden and faz as well I guess

[1]<Asbel Alseif> whoever is paying can make the decision

[1]<Nylina Nyhila> after all, they started the whole things

[1]<Asbel Alseif> no offense to the founder

[1]<Bobbin Threadbare> inzy, think u can add that pledge bar thingie like u did on large housing project, so members can see about donations we require?

[1]<Inzoum Zimia> could do

[1]<Nylina Nyhila> I guess you're right, Asbel

[1]<Nylina Nyhila> that's an idea, bob :)

[1]<Inzoum Zimia> I agree with Asbel on this

[1]<Asbel Alseif> after all it's your money to think about...your own finance

[1]<Inzoum Zimia> as for the webmail system, I may have a solution

[1]<Kami Kaze> like anyone go to the website

[1]<Bobbin Threadbare> I do. lol

[1]<Nylina Nyhila> well, i'm surprised to see that old members that can't play anymore for whatever reasons still regularly come to have a look

[1]<Nylina Nyhila> and I almost live on that website :P

[1]<Inzoum Zimia> yeah, people do come back to the website once in a while

[1]<Kami Kaze> eden for one  
[1]<Nylina Nyhila> plus, look at Noomy  
[1]<Nylina Nyhila> she goes there as much as she can i bet :)  
[1]<Kami Kaze> i just saw him few hrs ago  
[1]<Bobbin Threadbare> tho... website would work more usefull if there's ppl more active doing scheduled stuff. like my old fc @ sargs back in 1.0 days, neverending of activity. :)  
[1]<Nylina Nyhila> yes, me too  
[1]<Bobbin Threadbare> i meant old ls site. lol  
[1]<Scar Undutchable> i filling old iff you talk to old  
*Scar Undutchable dozes off quietly.*  
[1]<Bobbin Threadbare> lawl  
[1]<Scar Undutchable> just joking  
[1]<Nylina Nyhila> well, we still have to make a decision  
[1]<Nylina Nyhila> but i wanted you to be informed  
[1]<Asbel Alseif> i agree with whateve decision the payer comes to lol  
[1]<Nylina Nyhila> also, we'll need you to advertize the donations, that would be helpful, ty :)  
[1]<Nylina Nyhila> and ideas are always welcome  
[1]<Bobbin Threadbare> I understand it very well :)  
[1]<Asbel Alseif> i can be the stipper if you want  
[1]<Nylina Nyhila> ty for that discord suggestion for example :)  
[1]<Scar Undutchable> me too :)  
[1]<Nylina Nyhila> stipper?  
[1]<Ezzy Sam> r?  
[1]<Bobbin Threadbare> btw, i used to belong to this back then:  
[1]<Bobbin Threadbare> <http://reddot.guildwork.com/>  
[1]<Nylina Nyhila> I don't know that word  
[1]<Asbel Alseif> stripper\*  
*Asbel Alseif performs the Manderville.*  
[1]<Nylina Nyhila> LOL  
*Nylina Nyhila bursts out laughing at Asbel Alseif.*  
[1]<Bobbin Threadbare> lol  
*Scar Undutchable consoles Nylina Nyhila.*  
**Asbel Alseif: WILL STRIP FOR DOLLA!**  
[1]<Nylina Nyhila> ...but will you learn that much money? :P  
[1]<Bobbin Threadbare> moving on pls  
[1]<Nylina Nyhila> sure  
*Ezzy Sam pokes Asbel Alseif.*  
[1]<Bobbin Threadbare> i really need to go soon-ish. sorry to force a bit ^^;  
[1]<Nylina Nyhila> we're at the end of the meeting :P  
[1]<Nylina Nyhila> i just wanted to know if you had anything to add regarding to the message I sent on the website  
[1]<Bobbin Threadbare> what about the attitude thingie?  
[1]<Bobbin Threadbare> yea that  
[1]<Nylina Nyhila> I didn't expect that many reactions to my reminder

[1]<Bobbin Threadbare> I already said what I need to said I guess  
[FC]<Scar Undutchable> but how to donate ? iff i can miss <wellfare >.... ; ;  
[1]<Scar Undutchable> but how to donate ? iff i can miss <wellfare >.... ; ;  
[FC]<Scar Undutchable> .....

[1]<Bobbin Threadbare> lol don't mt there, scar  
[1]<Inzoum Zimia> scar, for the love of god put your chatmode in /l  
[1]<Nylina Nyhila> donations have always been possible, it's in the home menu  
[1]<Asbel Alseif> or default to /s  
*Ezzy Sam gently pats Scar Undutchable.*  
[1]<Scar Undutchable> :(  
[1]<Inzoum Zimia> if you don't have money to give, we're not forcing you  
[1]<Asbel Alseif> cant go wrong with /s!  
[1]<Bobbin Threadbare> lawl  
[1]<Bobbin Threadbare> well... my issue r not about money, it's the how ^^;  
[1]<Bobbin Threadbare> atm i am forced to pay this game with gtc only ^^;  
[1]<Bobbin Threadbare> altho i have legacy discount... ; ;  
[1]<Nylina Nyhila> the home menu, but we'll make it more visible to the homepage  
[1]<Inzoum Zimia> we've got a paypal button set up, but it's not very visible  
[1]<Inzoum Zimia> we'll make it more prominent  
[1]<Bobbin Threadbare> paypals great i think  
[1]<Nylina Nyhila> so  
[1]<Bobbin Threadbare> if i can somehow access paypal, i could help as well  
[1]<Scar Undutchable> ideal ?  
[1]<Nylina Nyhila> has anyone anything to add?  
[1]<Asbel Alseif> attitude wise i think most people here are pretty decent  
[1]<Inzoum Zimia> in the coming weeks we'll be updating the page which details the costs of the website, and make the information on how to donate more prominent  
[1]<Scar Undutchable> ok i will wait  
[1]<Nylina Nyhila> I agree Asbel, but i think that reminder was necessary due to what i experienced a few months ago  
[1]<Bobbin Threadbare> still on fc funding or new topic, ny?  
[1]<Nylina Nyhila> last topic : I asked if anyone had anything to add  
[1]<Bobbin Threadbare> k  
[1]<Asbel Alseif> that being said when i run content with people as much as we are having fun we need people to understand that if i ever call anyone out it is not to target you  
*Scar Undutchable looks at Bobbin Threadbare in shock!*  
[1]<Nylina Nyhila> Asbel said everyone's attitude is pretty decent  
*Ezzy Sam gently pats Asbel Alseif.*  
[1]<Bobbin Threadbare> i have none atm  
[1]<Bobbin Threadbare> i think... ^^;  
[1]<Nylina Nyhila> I'm not sure to understand "calling someone out"  
[1]<Nylina Nyhila> pointing at how people could improve?  
*Scar Undutchable looks at Kami Kaze in shock!*  
*Scar Undutchable looks at Asbel Alseif in shock!*

[1]<Nylina Nyhila> in that particular context?

[1]<Asbel Alseif> yeah

[1]<Nylina Nyhila> I totally

[1]<Nylina Nyhila> agree

[1]<Bobbin Threadbare> ah... i just remember...

[1]<Asbel Alseif> like e.g Nylina stop standing in fire

[1]<Nylina Nyhila> this is necessary, ofc

[1]<Asbel Alseif> i know some people might feel that im being pushy lol

*Asbel Alseif: do a /visor kami*

*Asbel Alseif: so i have a face*

[1]<Bobbin Threadbare> well... i guess i have something to say

[1]<Nylina Nyhila> the problem is that some ppl take it personally and with that attitude... i believe they shouldn't raid :P (even if said like that it may sound harsh)

[1]<Nylina Nyhila> go ahead, Bob :)

[1]<Inzoum Zimia> Nyli is so endgame, Mika was totally right

[1]<Nylina Nyhila> LOL

*Scar Undutchable looks at the wind-up Haurchefant in shock!*

[1]<Inzoum Zimia> ;)

[1]<Bobbin Threadbare> well... inzy, if i must say, it's not really about Mika only. ^^;

[1]<Nylina Nyhila> it's just that if you rage quit because you can't take a remark, you shouldn't raid :P because getting remarks is unavoidable :P

[1]<Asbel Alseif> oh yeah and if you dont want me to speedrun stuff as a tank then please tell me before i pull..if i see everyone is decently gear and im gonna speedrun that dungeon

[1]<Inzoum Zimia> I know, just teasing because Nyli said that people who are too sensitive about being called out for the sake of improvement should not even raid to begin with

[1]<Scar Undutchable> logic

[1]<Inzoum Zimia> so elitist ;)

[1]<Asbel Alseif> lol

[1]<Bobbin Threadbare> well... there's another issue besides that

[1]<Asbel Alseif> so yeah im done with what i have to add

[1]<Inzoum Zimia> (Nyli is the opposite of being elitist, there's hardly anyone more open and welcoming than her)

[1]<Nylina Nyhila> oki

[1]<Bobbin Threadbare> there might be certain attitude that doesn't go well with certain other members tho

[1]<Scar Undutchable> whas this the slot ?

[1]<Nylina Nyhila> still here bob?

[1]<Bobbin Threadbare> yea. lol

*Scar Undutchable pokes Bobbin Threadbare.*

[1]<Nylina Nyhila> ok, was wondering if you got dc :P

[1]<Nylina Nyhila> well, if there is anything we should be aware of, go ahead

*Asbel Alseif: there is a slot because Kabel is here!*

[1]<Scar Undutchable> :D

[1]<Bobbin Threadbare> I guess to summarize, there might be ppl who have similar attitude like the case with Mika, although much lower, if i'm saying this correctly. ^^;

[1]<Bobbin Threadbare> I don't really feel easy talking about this issue myself ^^;

[1]<Nylina Nyhila> the case wit Mika, youre talking about insults?

[1]<Nylina Nyhila> with\*

[1]<Bobbin Threadbare> no. not insults. lol

[1]<Bobbin Threadbare> maybe quite harsh remarks

[1]<Nylina Nyhila> well, that goas with the "being compassionate"... think before speaking or that

[1]<Nylina Nyhila> if you see that, don't hesitate to talk in private to that person

[1]<Bobbin Threadbare> i guess what i'm trying to say is there r certain someone who does make remarks, albeit it's for improving, but received not so well on the other party

*Scar Undutchable slaps the model vanguard.*

*Scar Undutchable consoles the model vanguard.*

*Scar Undutchable beckons to the model vanguard.*

[1]<Nylina Nyhila> well, you can still tell them to be more open minded

[1]<Nylina Nyhila> just don't hesitate to talk to poeople if you see something wrong

[1]<Nylina Nyhila> we are also moderators after all

[1]<Bobbin Threadbare> i guess it's true

[1]<Nylina Nyhila> take any measure you think necessary

[1]<Kami Kaze> send tell to that person and say STFU or GTFO lol

[1]<Nylina Nyhila> I trust everyone here to do that wall

[1]<Nylina Nyhila> lol Kami :P

[1]<Bobbin Threadbare> :p

[1]<Inzoum Zimia> don't do as Kami says

[1]<Bobbin Threadbare> lawl

*Ezzy Sam: "You can't make everyone happy"*

[1]<Bobbin Threadbare> well... if I did, i'll tell it's what Kami suggest XD

*Nylina Nyhila: that's true*

[1]<Nylina Nyhila> LOL

[1]<Nylina Nyhila> anyway, anything else to add?

[1]<Asbel Alseif> nope but faceless kabel is freaky

[1]<Nylina Nyhila> lol ok then

[1]<Nylina Nyhila> thank you all for your time, your participation and your suggestions :)

[1]<Nylina Nyhila> I'm closing the meeting now

*Scar Undutchable bows.*

*Ezzy Sam: wa sudah mau pengsan looooo*

[1]<Kami Kaze> now GTFO

*Scar Undutchable performs the Gold dance.*

*Bobbin Threadbare: wkwkwk*

*Asbel Alseif: lol*

[1]<Bobbin Threadbare> lawl

*Ezzy Sam: <almost wanna faint>*

[1]<Inzoum Zimia> thank you all for your time

Ezzy Sam: way pass bed time

Ezzy Sam: lolx

[1]<Nylina Nyhila> thanks a lot, and Inzy and I will have to go afk now...
